Introduction

This document provides detailed instructions for organizations completing the Fiscal Year (FY) 2024 Continuum of Care (CoC) Program New Project Applications for funding available through the Notice of Funding Opportunity (NOFO). Through this NOFO, HUD will award funding to communities to implement coordinated approaches -- grounded in Housing First and public health principles -- to reduce the prevalence of homelessness, and improve services engagement, health outcomes, and housing stability among highly vulnerable individuals and families. HUD expects applicant communities to partner with health and housing agencies to leverage mainstream housing and healthcare resources as authorized by section 231 of the Department of Housing and Urban Development Appropriations Act, 2020 (42 U.S.C. 11364a, Public Law 116-94, approved December 20, 2019).

These instructions provide information for each question within new project applications in the electronic grants management system called *e-snaps*. Additional CoC Program guides and resources are located on The Department of Housing and Urban Development's (HUD) website. Technical resources such as [How to Access the Project Application](#) and an *e-snaps* technical walkthrough, are located on [HUD's website](#).

The following documents provide information regarding CoC Program requirements for all projects awarded in this NOFO:

- [FY 2024 CoC Program Competition NOFO \(NOFO\)](#),
- [24 CFR part 578 \(the Rule\)](#),
- [The McKinney-Vento Act, as amended by the HEARTH Act \(the Act\)](#), and
- [Your local CoC Program policy guidelines for submitting project applications to the CoC or its designated committee or subcommittee](#).

*All new project applications must comply with the NOFO under which they are awarded funding and the requirements of the Rule.

The following items provide information that will be helpful as you complete your project applications.

Note: not all items will be immediately available, but keep checking HUD's website and sign up for the listserv to be notified when items are available:

- Questions regarding information in these instructions may be submitted to CoCNOFO@hud.gov; however, HUD cannot assist you with answering specific application questions.
- Questions related to *e-snaps* functionality (e.g., password lockout, access to user's application account, updating Applicant Profile, other technical issues with submitting the application) must be submitted to e-snaps@hud.gov.
- [CoC Project Application Navigational Guides](#) provide step-by-step instructions for navigating through *e-snaps*.

Project applicants can find additional information on [HUD's website](#) regarding the CoC Program requirements. The [HUD Exchange](#) also includes unofficial CoC Program information developed by technical assistance providers.

This set of detailed instructions mirrors the eight parts of the new project application in *e-snaps* as listed below and in Table 1.

- Parts 1 and 2 are the same regardless of the project type.

FY 2024 CoC Program New Project Detailed Instructions

Introduction

- The visibility of *e-snaps* screens and questions for Part 3 through Part 6 are dependent on the project types as listed below following eligible new project types:
 - [PH-PSH: Permanent Supportive Housing](#),
 - [PH-RRH: Rapid Re-Housing](#),
 - [Joint TH and PH-RRH: Rapid Re-Housing](#),
 - [SSO-CE: Coordinated Entry, and](#)
 - [HMIS: Homeless Management Information Systems](#).
- Parts 7 and 8 are the same regardless of the project type.

What's New

- 1. New CoC Program 2-Year NOFO.** The new 2-Year NOFO has two important parts that affect CoCs and project recipients.
 - A.** The CoC's collaborative applicant will submit a single consolidated CoC application for FY24/FY25. The CoC consolidated application includes a CoC application and all of a CoC's individual project applications and will have the competitive scoring elements as in previous years. For FY25, HUD will not require CoC's to submit another CoC consolidated application. HUD will also not require recipients to submit individual applications for renewal projects conditionally awarded in the FY24 competition.
 - B.** The individual project applications and project selection processes will be like prior year competitions. The same as in previous years, project applicants will submit a single project application per project for a 1-year grant term with 12-months of annual funding. The primary difference is that HUD will use the single 1-year project application for both the FY24 and FY25 new or renewal projects. In other words, FY24 projects that received funding for a 12-month grant will be eligible for an award in using the FY24 application submission for the same project. HUD will not require those recipients to apply for renewal for the FY25 NOFO. HUD will award the FY 2025 project with appropriate funding updates at a future time.

See Section I.A.3.b. of the NOFO for more information.

- 2. Funding Limitations.** New projects can be created through reallocation, CoC Bonus, a combination of Reallocation + CoC Bonus, and Domestic Violence (DV) Bonus. Each CoC can submit CoC Bonus and DV Bonus projects based on the following.
 - **CoC Bonus:** Each CoC is limited to 12 percent of the CoC's Final Pro-Rata Need (FPRN).
 - **DV Bonus:** Each CoC is limited to 15 percent of the CoC's Preliminary Pro Rata Need (PPRN); however, this amount is limited to:
 - a minimum of \$50,000 if 15 percent of the CoC's PPRN is less than \$50,000, or
 - maximum of \$5 million if 15 percent of the CoC's PPRN is more than \$5 million.

The [Estimated Annual Renewal Demand \(ARD\) Reports](#) posted to HUD.gov provide the maximum CoC Bonus and DV Bonus amounts available per CoC.

- 3. Reallocation of funding originally awarded to serve specific populations.** If a new project is being created with reallocated funds that were originally awarded to a YHDP or DV Bonus project, the new project must continue to serve the same population as the project being reallocated. See Section I.A.3.d. of the NOFO for more information. Applicants should be aware of the following specific restrictions

FY 2024 CoC Program New Project Detailed Instructions

Introduction

on using funding reallocated from DV Renewal projects (projects originally awarded with, or subsequently expanded with, DV Bonus funding):

- DV Renewal projects that have an SSO-CE component cannot be reallocated.
 - Reallocated DV Renewal funding cannot be used to expand a CoC Renewal grant.
 - DV Renewal projects cannot consolidate with CoC Renewal projects.
- 4. Cost of Living Adjustments for Conditionally Selected Grants.** The Consolidated Appropriations Act, 2024 authorizes HUD to make reasonable cost of living adjustments to renewal amounts to help afford increasing cost of operations due to inflation. HUD will adjust amounts for the supportive services and HMIS Costs budget lines for renewing projects based on the most recent three-year average of changes in State Quarterly Census of Employment and Wages (QCEW) for the category Social Assistance (NAICS 624). Please note that HUD is only authorized to make these adjustments for Renewal projects. Supportive Services and HMIS budgets for all New projects, including Planning, UFA, YHDP Replacement, and YHDP Reallocation, will not be adjusted.

Important Reminders

- 1. HUD cannot correct project application errors.** Your project application must demonstrate compliance with the Rule and NOFO and you are responsible for submitting a project under the appropriate type and funding stream according to the FY 2024 NOFO and 24 CFR part 578 (except as otherwise provided in the NOFO).

Please note that compliance with the NOFO and the Rule includes compliance with all applicable Federal statutes relating to nondiscrimination (also included on your SF-424B/F-424D assurances). See 24 CFR 578.93 for more details of Fair Housing and Equal Opportunity requirements for the CoC program.

- 2. VAWA Budget Line.** The Violence Against Women Act (VAWA) Reauthorization Act of 2022 amended the HEARTH statute to clarify CoC Program eligible costs for facilitating and coordinating activities to comply with the VAWA emergency transfer plan requirement (34 U.S.C. 12491(e)) and monitoring compliance with the protections of the VAWA confidentiality requirements (34 U.S.C. 12491(c)(4)).

The VAWA BLI is available in all project types, except for planning and UFA costs, regardless of grantee type or sub-population focus. The VAWA BLI is **NOT** exclusive to victim service providers (VSPs) or DV Bonus projects. All eligible projects will technically include a VAWA BLI (even if the project chooses to keep that BLI at \$0), to help expedite minor budget changes later in the grant should a situation arise where a project needs to quickly move funds to the VAWA BLI, e.g., for an unexpected emergency transfer.

See the CoC NOFO for more details on VAWA BLI allowable costs. SSO-CE projects may use this BLI to budget for activities to facilitate emergency transfers in accordance with the CoC's emergency transfer plan, or for activities to ensure compliance with VAWA confidentiality requirements. Emergency transfers should be conducted in accordance with the CoC's emergency transfer plan, which must meet the requirements laid out in 24 CFR 578.99(j)(8) and 24 CFR 5.2005(e). To extent that the CoC's plan uses a coordinated approach to assessing and facilitating emergency transfer requests (including having a local victim service provider assess and facilitate all emergency transfer requests centrally), it is allowable to use the VAWA BLI within an SSO-CE project to do so.

- 3. Rural Cost Budget Line.** In the FY2024 CoC Program NOFO, applicants can request a Rural Cost Budget line item (BLI) for the following activities (only in eligible rural geocodes):

FY 2024 CoC Program New Project Detailed Instructions

Introduction

- **Short-term emergency lodging** to include housing in motels or shelters, either by providing direct funding or through vouchers.
- **Repairs to housing units** in where individuals and families experiencing homelessness will be housed, including housing units currently not fit for human habitation.
- **Staff Training** to include professional development, skill development, and staff retention activities.

4. FMR tables in e-snaps. The FMR amounts shown in the e-snaps application tables are accurate FY 2023 FMRs for the FMR areas you select. If your project application is selected for conditional award, updates based on the FMRs in effect as of the application submission deadline will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this e-snaps table at post award.

5. Calculating input for Units/Beds/Households/Persons: When determining the correct input for Units, Beds, Households, and Persons, please note that these reflect the *full capacity* of the program on a *single night* (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds on Screen 4B should not be higher than the number of households (units), and persons (beds) as listed on Screens 5A and 5B.

6. Domestic Violence, Dating Violence, Sexual Assault, and Stalking Bonus (DV Bonus) projects. *Due to funding restrictions in appropriations, DV Bonus projects must exclusively serve the households of survivors of domestic violence, dating violence, sexual assault, or stalking.* Projects that focus on other populations, including survivors of human trafficking, are not eligible for this restricted funding unless the project will be limited specifically to survivors of domestic violence, dating violence, sexual assault, and/or stalking. See Section I.B.2.b.(6) of the NOFO for more information. DV Reallocation projects (new projects created with funding reallocated from projects originally awarded as DV Bonus projects) must also exclusively serve the DV Bonus eligible population. DV Renewals (renewal projects originally awarded with DV Bonus funds **or** expanded with DV Bonus funds) must continue to exclusively serve the DV Bonus eligible population.

If you are requesting funds through the DV Bonus you must select “DV Bonus” on screen ‘**6A. Funding Request**’ question #2 and verify that you intend to exclusively serve the DV Bonus eligible population. DV Bonus funds cannot be combined with reallocated or CoC Bonus funds.

7. Combination of Reallocated funds and CoC Bonus funds in the same new project. You may use both Reallocated **and** CoC Bonus funds in a single new project application. If using reallocation funds that were originally awarded to a YHDP or DV Bonus project, the new project must continue to serve the same population as the project being reallocated. Note: DV Bonus funds may not be combined with any other funding in a new project application.

8. Transition Grant: In the FY 2024 CoC Program Competition you can request to transition eligible renewal project(s) from their original component(s) to another eligible component. To utilize the transition grant process, you must fully reallocate the renewal project(s) funds that will transition to the new component and you must submit a new project application in *e-snaps*. Eligible components for new projects in the transition process are PH-PSH, PH-RRH, Joint TH and PH-RRH, SSO-CE, and HMIS. See Section I.B.2.b.(24) (reallocation) and Section I.B.2.b.(30) (transition grant) of the NOFO for additional information and requirements, including notification to the CoC of your organization’s intent to use the transition grant process.

FY 2024 CoC Program New Project Detailed Instructions

Introduction

Note: If you are using the transition grant process you cannot consolidate or expand a project that is transitioning.

- 9. System for Award Management (SAM) Registration.** Your organization must have an active SAM registration at the time of project application submission and conditional award. The SAM registration must be renewed annually so long as you receive CoC Program funds. HUD verifies that your organization has an active SAM registration prior to release of awarded funds, if conditionally selected for award, and will withhold processing funds if your organization’s SAM registration has expired. You must also confirm your organization’s Employer/Tax Identification Number (TIN) and Unique Entity Identifier (UEI/SAM) information is correct in both SAM.gov and the *e-snaps* Project Applicant Profile.
- 10. Expansion Process.** Your organization can submit a new project application to expand an existing renewal project that is also being submitted for renewal funding. To request an expansion of an existing renewal project through the new project application process, see Section I.B.2.b.(9) of the NOFO. New Project Application Screens in *e-snaps*. **Note: the same renewal project may NOT be part of both a consolidation and an expansion in the same application.** If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation.

Project Applicant Profile

Before accessing and completing a project application, you should access the **Project Applicant Profile** to complete information for your organizational contacts, particularly:

- Authorized Representative must be the person in the organization authorized to sign legal documents and legally obligate funds for the applicant’s organization.
- Secondary Contact, the person who can address matters in the absence of the authorized contact and who has knowledge of the project application.

Should HUD need to contact your organization to resolve a curable deficiency (see Section I.B.1.(1) of the NOFO), these are the two people who will receive the email notification with instructions on how to resolve and the timeframe required for resolution.

Additionally, you must complete the information for [HUD-2880 Form, Applicant/Recipient Disclosure/Update Report \(HUD-2880\)](#). The information in this form is used to populate questions on Screen 1G and will automatically populate the total assistance requested from all your organization’s project application(s).

To make changes to information populated from the profile, refer to the **Basic Instructions to Access a Project Applicant Profile** below, or if you need instructions on how to complete HUD-2880 form, refer to

FY 2024 CoC Program New Project Detailed Instructions

All Projects – Part 1: HUD Forms and Certifications

the additional instructions created by a HUD-approved technical assistance provider, available on the HUD Exchange, [Project Applicant Profile Navigational Guide](#) and [How to Complete HUD 2880 in e-snaps](#).

All Projects – Part 1: HUD Forms and Certifications

Most information in Part 1 populates from the **Project Applicant Profile**. All other fields, including those in white or shaded in gray, are read-only, and either populated with information from your profile or other *e-snaps* data. You must review all information to ensure accuracy and update as needed.

You must complete several HUD required forms in Part 1 of *e-snaps* before you have access to the project application. All other parts of an *e-snaps* project application will remain hidden until this information is completed and saved, including all checkboxes certifying signed forms. The ‘**Submission Summary**’ screen will highlight any incomplete Part 1 screens that need further attention.

Part 1 of the project application includes the following forms:

SF-424: Application for Federal Assistance, Screens 1A-1F.

HUD-2880: Applicant/Recipient Disclosure/Update Report, Screen 1G.

HUD-50070: Certification for a Drug Free Workplace, Screen 1H.

Certification Regarding Lobbying, Screen 1I.

SF-LLL: Disclosure of Lobbying Activities, Screen 1J.

SF-424B: Assurances for Non-Construction Projects, Screen 1K, and

SF-424D: Assurances for Construction Projects, Screen 1L.

Basic Instructions to Access a Project Applicant Profile

1. Log into *e-snaps* at <https://esnaps.hud.gov/grantium/frontOffice.jsf> and select ‘**Applicants**’ in the left menu of the main screen. Important, if working on the project application select ‘**Save**’ and then select ‘**Back to Submissions List**’ to exit the project application and go back to the main menu. Select ‘**Applicants**’ from the left menu to access the Project Applicant Profile using the following steps. **Note:** The ‘**View Applicant Profile**’ link in the left menu leads to a read-only version of the profile and does not allow editing).
2. After selecting ‘**Applicants**’, select the folder  under ‘**Open**’. The list of project applicant profile screens will appear in the left menu.
3. Begin by opening the profile for editing by selecting ‘**6. Submission Summary**’ from the left menu and then select the ‘**Edit**’ button at the bottom of the screen. Once in edit mode, the entire profile can be updated.
4. After you have completed all updates and screens have been ‘**Saved**’, return to ‘**6. Submission Summary**’ and select the ‘**Complete**’ button at the bottom of the screen.
5. Finally, select ‘**Back to Applicants List**’ in the left menu, then select ‘**Submissions**’ in the left menu of the *e-snaps* main screen to open a project application. The updated profile information should now appear in all Part 1 screens. If information is not showing as updated, most likely one of the steps above was not completed correctly.

This EO allows each State to designate an entity to perform this function. A list of states that have chosen to review applications, along with State Points of Contact (SPOC) are available at: [SPOC-April-2020](#). If you will have projects in more than one state, you must check each state against the SPOC list as one state may require review while other states may not require review.

On Screen 1E, select ‘**a**’ or ‘**b**’ to indicate whether the application was selected for review by the state(s) in which the project operates (or will operate).

- a. Indicates the state requires review of the application and enter the date on which the application was made available to the state(s). In cases where the SPOC has not reviewed an

application prior to the application submission deadline, you must submit the application to meet the CoC Program Competition application deadline for funding consideration.

- other arrangements satisfactory to HUD are made prior to HUD awarding funds.

The explanation of any debt owed, and the repayment arrangements must be provided on Screen 1E. If arrangements satisfactory to HUD cannot be completed within 90 days of notification of the conditional award, HUD will rescind the conditional award.

Screen 1F. SF-424 Declaration

On Screen 1F, you must click the checkbox next to the ‘I agree’ statement. All fields are read-only and populate from the **Authorized Representative** listed in the **Project Applicant Profile**. By checking the box, you agree to all terms and conditions associated with this funding request and certify that the data and content in the project application (including all attachments) are true and correct. Screen 1F must identify the person authorized to act for your organization and assume the obligations imposed by all federal laws, program regulations, NOFO requirements, and conditions for a conditional grant award.

HUD-2880: Applicant/Recipient Disclosure/Update Report, Screen 1G

This screen populates with information entered in the Project Applicant Profile. If any of the information is incorrect you must return to the Project Applicant Profile to make corrections that you will see when you return to this screen.

The Form HUD-2880 uses federal terminology that does not clearly match terminology used for the CoC Program and project applications. For CoC Program purposes, HUD is clarifying the meaning of ‘**specific project or activity**’ and ‘**this application**’ in Part 1 of the HUD-2880, questions 1 and 2. The legal requirements of the HUD-2880 as related to the CoC Program mean: any single organization/applicant equals one application for all accumulated project applications, regardless of how many individual project applications are submitted in the CoC Program Competition. Therefore, information in an *e-snaps* HUD-2880 includes the total amount of all the project applications applying for funds in the CoC Program Competition. For example, if organization XYZ is submitting three separate project applications at \$100,000 each for a total amount of \$300,000, then an answer of ‘Yes’ is required in Part 1 question 2 of the HUD-2880—as organization XYZ expects to receive assistance in excess of \$200,000. Since the total amount of funds requested by your organization exceeds \$200,000 for all project applications submitted, you must complete Parts II and III of the HUD-2880.

- 3. HUD Program.** No action required. This field populates with ‘**Continuum of Care Program**’.
- 4. Amount of HUD Assistance Requested/Received.** No action required. This field remains blank in the **Project Applicant Profile**. The amount in this field will populate based on the total funds requested for this project application from the ‘**Summary Budget**’ screen.

This field populates with the following message: “**Refer to project name, addresses and grant number entered into the attached project application.**” The information this message references is located on the project application screen 1B. HUD accepts these assurances in the form of the SF-424B (Assurances of Non construction Programs) and SF-424D (Assurances for Construction Programs), which also require compliance with all general federal nondiscrimination requirements in the administration of the grant. Applications requesting funds for both non-construction programs and construction programs must submit both the SF-424B and SF-424D.

supplementary documentation, below is a list of items that you should attach if your project application includes one or more of the following.

- **Subrecipients.** Attach nonprofit documentation for each nonprofit organization identified on Screen ‘**2A. Subrecipients**’. Nonprofit status is documented by submitting either: (1) a copy of the Internal Revenue Service (IRS) final determination letter providing tax-exempt status under Section 501(c)(3) of the IRS Code (preferred), or (2) a certification from a licensed CPA that the organization meets each component of the definition of a private nonprofit organization as defined by 24 CFR 578.3.
- **Third-Party In-Kind Match.** If your project application includes third-party in-kind match commitment on the ‘**Sources of Match**’ screen you have a separate ‘**7A Attachments**’ screen that should be used to attach the required Memorandum of Understanding (MOU) or Memorandum of Agreement (MOA) between your organization and the organization providing the in-kind match. Documentation is required prior to issuance of the grant agreement if your renewal project is selected for conditional award.
- **Replacement Reserve.** If your project application will utilize replacement reserve as part of the CoC Program operating budget, you must attach supporting documentation that includes:
 - total amount of funds that will be placed in reserve during the grant term,
 - system(s) to be replaced that includes the useful life of the system(s), and

Failure to include the attachment for any of the above items that are part of the project application may result in delays of grant processing if selected for conditional award as this information must be sent to the local HUD CPD field office for review. If the information is attached, conditional awards can be processed timely.

CoC Rejection Letter Attachment Screen

This attachment screen will only be visible and required if you are submitting this project application as a Solo Appeal as outlined in Section IV.F.4. of the NOFO and 24 CFR 578.35.

Notice of Intent to Appeal** which must be completed. To complete the Solo Appeal project application, you must attach a signed and dated HUD-2991 from the CoC’s local jurisdiction. You are responsible for obtaining this form for the Solo Appeal project application from the local jurisdiction, not the CoC. If you did not submit the initial project application via *e-snaps* as the CoC conducts its local competition outside of *e-snaps*, you will create the renewal project application for the component according to these instructions.

Note: Solo Appeal project applications must be submitted in *e-snaps* by the application submission due date in the NOFO.

Screen 8A. Notice of Intent to Appeal – Attachment Requirement

All Projects – Part 8: Solo Appeal and Submission Summary

Once completed, this project application will be submitted directly to HUD for review, bypassing the CoC. It is your responsibility to ensure all requirements are met for a Solo Appeal, including appropriate notifications as the CoC does have the opportunity to respond to Solo Appeals. All requirements outlined in Section IV.F.4 of the NOFO and 24 CFR 578.35(b) must be followed.

Screen 8B. Submission Summary

Screen 8B provides a summary of all project application screens and the ‘**Submit**’ button. The ‘**Last Updated**’ column provides the status of each screen listed, and the date the screen was completed. The ‘**Mandatory**’ column indicates whether a screen must be fully completed to submit the project application to the Collaborative Applicant in *e-snaps*. After the **Project Applicant Profile** is confirmed accurate, all required project application screens are completed, and all appropriate attachments are uploaded, the project application can be submitted in *e-snaps*. All submitted project applications are sent to the CoC identified on Screen 3A. If ‘**No CoC**’ is selected on Screen 3A, the project application will be sent directly to HUD for consideration.

The following table explains the columns on the Submission Summary page.

Complete	Page	Last Updated	Mandatory
-- = no information is required. Green √ = Ok Red X = incomplete screen.	Provides the name of each Screen.	<i>Date (MM/DD/YYYY)</i> = date information on the screen was updated and saved. <i>Please Complete = the screen identified has errors or has not been fully completed.</i> <i>No Input Required</i> = No information is required on this screen to submit.	Yes = screen includes questions that must be answered to submit. No = screen does not include questions that must be answered to submit.

If the **Submission Summary** page has the following for each **Row**, you will be able to click ‘**Submit**’ and your project application will be sent to your CoC for review, scoring and ranking. All project applications accepted and ranked by the CoC will be included in the CoC Consolidated Application once it is submitted to HUD by the application submission deadline in the NOFO.

- All green √ or -- in the **Complete** column, and
- Date (MM/DD/YYYY) in the **Last Updated** column.

After the application is submitted in *e-snaps*, use the ‘**export to PDF**’ link to save the application as a PDF or to print a hard-copy of the application. The PDF version of the application serves as a record of submission.

- 2. CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2024 CoC Program Registration process.
- 3. Project Name:** No action required. This field populates from the *e-snaps* ‘**Project**’ screens and is read-only. Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

7. Is this new project application requesting to transition from eligible renewal project(s) that was awarded to the same recipient and fully eliminated through reallocation in this CoC Program Competition? (*Attachment Requirement*) Required. For additional information refer to the NOFO for requirements to transition a renewal project from its existing component (e.g., TH) to another eligible new component (e.g., PH-PSH) through the CoC Program Competition. To facilitate this component change, you must work with the CoC and use the reallocation process to fully eliminate the eligible renewal project(s) to transition the project to the new component. Select:

Yes, if this new project application is requesting a transition grant.

If ‘Yes’ is selected, you will provide information regarding the expiring component in the next two questions. The remainder of this new project application will only capture information regarding how the project will operate under the new component. If this transition project is selected for conditional award, you will work with the local HUD CPD field office to determine how the old component will wind down while ramping up the new component.

No, if this new project application is not requesting a transition grant.

7a. List all expiring project(s) involved in the transition: Required. If ‘Yes’ to question 7, the expiring renewal project(s) must be fully eliminated using the reallocation process.

At least one eliminated project must be entered in the table. Up to 4 may be entered.

Full Grant Number	Operating Start Date	Expiration Date	Component Type
Enter the full grant number of the expiring renewal project (e.g., CA0001L5F012003)	Enter the date for ‘PoP Start’ from eLOCCS	Enter the date for ‘PoP End’ from eLOCCS	Select the expiring renewal component (e.g., TH)

IMPORTANT: For all expiring renewal projects listed in the table, attach a copy of the approved renewal project application(s) on Screen ‘**7A Attachments**’ (e.g., if the expiring project was funded in the FY 2023 CoC Program Competition, attach a copy of the FY 2023 project application).

7b. Provide a description that addresses the scope of the proposed transition during the first year of operation. Required. If ‘Yes’ is selected in question 7, provide a detailed description of how the project will transition from the renewal project to the new project. The description must include:

- how you will reduce activities in the old renewal component as it transitions to the new component, including the plan for ensuring existing program participants do not become homeless,
- estimated date the project will be fully operating as the newly awarded component within the one-year grant term.

For example, if you are eliminating a TH project to create a new PH-PSH project, you must describe how the project will strategically wind down the transitional housing project, include how current TH program participants will be assisted in obtaining permanent housing while you will also ramp up the PH-PSH project over the course of the one-year grant term. You must also provide assurances the new PH-PSH component will be fully operational at the end of the grant term. Finally, include the amount of funds from this transitional grant application that will be used to wind down the outgoing TH activities with the estimated date for completion.

PH-PSH Screen 3B. Description

All questions on Screen 3B are required and provide HUD with a detailed description of the project.

1. **Provide a description that addresses the entire scope of the proposed project.** Required. Provide a detailed description of the scope of the project including the target population(s) to be served, project plan for addressing the identified housing and supportive service needs, anticipated project outcome(s), coordination with other organizations (e.g., federal, state, nonprofit), and how the CoC Program funding will be used.

The information in this description must align with the information entered in other screens of the application. Additionally, if your project implements service participation requirements or beyond what is typically included in a lease agreement, describe those requirements and how they will be implemented.

2. For each primary project location, or structure, enter the number of days from the execution of the grant agreement that each of the following milestones will occur. Required. You must enter information in at least one field on the table. If your project includes multiple structures, you will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

2a. If requesting capital costs (i.e., acquisition, rehabilitation, or new construction), describe the proposed development activities with responsibilities of the applicant, and subrecipients if included, to develop and maintain the property using CoC Program funds. Required to describe the proposed development activities if you are requesting capital costs (i.e., acquisition (24 CFR 578.43), rehabilitation (24 CFR 578.45), new construction (24 CFR 578.47). 24 CFR 578.25 provides the requirements for site control, including a 15-year use period (24 CFR 578.81) that will remain in place even if the project no longer receives CoC Program funding. You should review 24 CFR part 578 for all requirements related to capital costs as not all are included in these instructions.

3. Check the appropriate boxes if this project will have a specific subpopulation focus. (Select ALL that apply) Required. Check the appropriate boxes to indicate this project will focus on one or more specific subpopulations. The boxes checked should match the information provided in the project description. If this project does not have a specific subpopulation focus, select ‘N/A - Project Serves All Subpopulations’. If a subpopulation focus for your organization is not listed, check the box next to ‘Other’ and enter the subpopulation in the text box provided.

- Veterans
- Youth (under age 25)
- Families

traumatic, or life-threatening conditions. (**Note:** this field includes all people in households eligible to be served with DV Bonus funds but may also include survivors who do not meet the narrower definition of DV Bonus eligibility. For more information on subpopulation eligible to be served in DV Bonus projects, See Section I.B.2.b.6 of the NOFO for more information.)

4. **Will your project participate in the CoC’s Coordinated Entry (CE) Process or recipient organization is a victim service provider, as defined in 24 CFR 578.3 and uses an alternate CE process that meets HUD’s minimum requirements?** Required. Coordinated Entry is a process designed to coordinate program participant intake, assessment, and provision of referrals. A CE process must cover the entire CoC’s geographic area, is easily accessed by individuals and families seeking housing **or** services, is well advertised, and includes a comprehensive and standardized assessment tool and process. Participation in a CE process is a requirement for all applicants of CoC Program funds. Select:

Yes, if this project will participate in the CoC’s CE process or applicant organization is a victim service provider and uses an alternate CE process that meets HUD's minimum requirements.

No, if this project will not meet these criteria.

5. **Housing First.** Housing First is a model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as, sobriety or a minimum income threshold). See Section I.A.4.b.(2) of the NOFO for additional information. A Housing First approach quickly connects individuals and families experiencing homelessness to permanent housing:

- no barriers to entry (e.g., sobriety, treatment, or service participation requirements),
- no preconditions (e.g., sobriety, income), and
- does not terminate program participants from the project for lack of participation (e.g., supportive service participation requirements or rules beyond normal tenancy rules).

Supportive services are voluntary and offered to maximize housing stability and prevent returns to homelessness. For further information refer to the: [Housing First in PSH Brief](#).

The questions in this section identify whether your project operates consistent with a Housing First approach.

- 5a. **Will the project quickly move participants into permanent housing?** Required. If ‘No’ is selected, 5d will be ‘No’ for following a housing first approach. Select:

Yes, if your project will rapidly move program participants into permanent housing and will not require additional steps (e.g., a required stay in transitional housing or a certain number of days of sobriety).

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

If this application is for a project focused on survivors, including survivors of domestic violence, sexual assault, stalking, dating violence, or human trafficking, select ‘Yes’ if the project will rapidly move program participants into permanent housing after the participant determines their immediate safety needs have been addressed (i.e., survivor(s) believes they are not in danger and want to move into their own permanent housing).

No, if the project requires additional steps prior to helping a program participant obtain permanent housing.

5b. Will the project enroll program participants who have the following barriers? Select all that apply. Required. Checking the box next to each item listed confirms your project will enroll a household if they present with the perceived barrier (e.g., if they will enroll a household that has no income at time of enrollment). Committing to not screening out participants for the first four boxes supports a housing first approach. If ‘**None of the above**’ is selected, 5d will be ‘**No**’ for housing first. If your project will not enroll a household that presents with any of the barriers listed below at the time of application (e.g., if you require a minimum income, require sobriety, and will not house people with a criminal record or a history of victimization), select ‘**None of the above**’.

- **Having too little or little income,**
- **Active or history of substance use,**
- **Having a criminal record with exceptions for state-mandated restrictions,**
- **History of victimization (e.g., domestic violence, sexual assault, childhood abuse), and**
- **None of the above.**

5c. Will the project prevent program participant termination from the project for the following reasons? Select all that apply. Required. Committing to not screening out participants for the first four boxes supports a housing first approach. If ‘**None of the above**’ is selected, 5d will be ‘**No**’.

- **Failure to participate in supportive services,**
- **Failure to make progress on a service plan,**
- **Loss of income or failure to improve income,**
- **Any other activity not covered in a lease agreement typically found for unassisted persons in the project’s geographic area, and**
- **None of the above.**

5d. Will the project follow a ‘Housing First’ approach? No action required. This question automatically populates based on the responses to questions 5a, 5b, and 5c.

Yes, is populated if you selected ‘**Yes**’ for question 5a **and** checked the first four boxes in questions 5b and 5c. This confirms the project will operate following a housing first approach.

No, is populated if you selected ‘**No**’ to question 5a **or** did not check all boxes **or** checked ‘**None of the above**’ for questions 5b or 5c. This confirms the project will not operate following a housing first approach.

Any project application with ‘**Yes**’ for question 3d commits to and must operate following Housing First during its FY 2024 grant term.

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

6. Will program participants be required to live in a specific structure, unit, or locality at any time while in the program? Required. Select:

Yes, if any portion of the project will be site-based or require program participants to live in a specific locality, city, or specific area.

No, program participants will not be required to live in a specific locality, city, or area.

Note: If you are requesting tenant-based rental assistance (TRA), you may require program participants to live in a specific area or structure **only** for the first year of participation when it is necessary for coordination of supportive services.

6a. Explain how and why the project will implement this requirement. Required if you answered ‘Yes’ to question 6. Describe the reason for this program design. For example, if your organization owns a building where program participants will reside, or you will require program participants meet with a case manager at least monthly in their first year of assistance and the case managers offices are in the specific area. If you are requesting TRA, explain why implementing this requirement is necessary for providing supportive services.

7. Will more than 16 persons live in a single structure? Required. Select:

Yes, indicates more than 16 persons will reside in a single structure.

No, if this will not occur.

7a. Describe the local market conditions that necessitate a project of this size. Required if you answered ‘Yes’ to question 7. In the text box provided, explain the local market conditions that require placing more than 16 persons in a single structure.

7b. Describe how the project will be integrated into the neighborhood. Required if you answered ‘Yes’ to question 7. In the text box provided, explain how your organization will successfully integrate program participants into the neighborhood.

8. Is this project 100% Dedicated or DedicatedPLUS? Required. All new **PH-PSH** projects must select from the following:

100% Dedicated indicates the project is serving only those individuals and families who meet the definition of chronically homeless in 24 CFR 578.3. If you select ‘**100% Dedicated**’ all vacancies must be filled with program participants who meet the definition of chronically homeless.

DedicatedPLUS indicates that 100 percent of the beds will be dedicated to serve individuals, households with children, and unaccompanied youth (including pregnant and parenting youth) that at intake meet one of the following categories:

(a) experiencing chronic homelessness, meaning they qualify as “chronically homeless” as defined in 24 CFR 578.3;

(b) residing in a TH project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the TH project;

(c) residing in a place not meant for human habitation, emergency shelter, or Safe Haven and had been admitted and enrolled in a PH project within the last year but were unable to maintain a housing placement and met the definition of chronically homeless as defined by 24 CFR 578.3 prior to entering the project;

(d) residing in transitional housing funded by a Joint TH/PH-RRH component project and who were experiencing chronic homelessness as defined by 24 CFR 578.3;

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

(e) residing and has resided in a place not meant for human habitation, Safe Haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions and the individual or head of household meet the definition of 'homeless individual with a disability; or

(f) receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

PH-PSH Screen 3C. Project Expansion Information

You can apply for a new project that will expand an existing eligible CoC Program renewal project (see Section I.B.2.b.(9) of the NOFO), so long as it is the same component and type (e.g., both the new and renewal project applications are PH-PSH). To apply for a new project that will expand an existing eligible CoC Program renewal project you will create and submit **two** project applications: a '**Stand-alone New**' and a '**Stand-alone Renewal**'. If awarded, HUD will combine these two applications into one project in the post-award process. Please ensure that budgets and proposed numbers of units, people to be served, etc. are not duplicated between the Stand-alone New and Stand-alone Renewal applications, in order to ensure the accuracy of the final project.

Note: the same renewal project may NOT be part of both a consolidation and an expansion in the 2024 CoC Competition. If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation. For instructions to complete a '**Stand-alone Renewal**' project application, review the '**Renewal Expansion Process and Questions**' instructions on pages 17-19 of the **CoC Renewal Project Application Detailed Instructions**.

You must complete the first question on Screen 3C that will notify HUD you are submitting a new expansion project that is tied to an eligible renewal project.

1. Is this a 'Project Expansion' of an eligible renewal project? Required. Select:

Yes, this is a new project application that will expand an existing eligible renewal project application and is the same component and type as the renewal.

No, this new project application is not part of an expansion request. Click '**Save**' or '**Save & Next**' to move to the next screen.

If you answered '**Yes**' to question 1, you must complete the remainder of this screen. The next two questions are used to match this new expansion project application with the renewal project application you are submitting.

1a. Eligible Renewal Grant PIN. Enter the PIN exactly as it was entered in the renewal project application (see screen 1A. SF-424 Application Type, question 5a or 5b of your renewal project application). Additionally, to ensure you enter the correct PIN on both applications, refer to the current grant agreement or grant agreement amendment for the renewal project this new project will expand.

1b. Eligible Renewal Grant Project Name. Enter the Project Name exactly as it was entered in the renewal project application (see screen PH-PSH Screen 3A. Project Detail, question 4 of your renewal project application).

The following questions inform HUD how this new project will expand the eligible renewal project application. You must respond to each question with '**Yes**' or '**No**' and for each '**Yes**' response you must complete the additional questions. An expansion must select yes to one of the following questions in order to be valid.

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

2. Will this expansion project increase the number of program participants? Required. Select:

Yes, if this project will increase the number of program participants assisted (e.g., adding units) and respond to the set of questions that appear.

No, if this project will not increase the number of program participants.

2a. Currently Approved Renewal Numbers (from ‘Stand-alone Renewal’ project application).

The numbers for this section must be the point-in-time numbers according to the current grant agreement or grant agreement as amended for the renewal project. Use the numbers entered in the renewal project application from the screens identified below.

- Number of persons (From renewal application Screen 5A)
- Number of units (From renewal application Screen 4B)
- Number of beds (From renewal application Screen 4B)

2b. New effort: New Requested Numbers to Add (from this ‘Stand-alone New’ project application). Enter the proposed point-in-time numbers that will be added to the renewal project.

- Number of additional persons (From this new application Screen 5A)
- Number of additional units (From this new application Screen 4B)
- Number of additional beds (From this new application Screen 4B)

3. Will this expansion project provide additional supportive services to program participants?

Required. Select:

Yes, if this expansion project will provide additional supportive services.

No, if this expansion project will not provide additional supportive services.

3a. Indicate how the project will provide additional supportive services to program participants.

Required if ‘Yes’ to question 3. Check one or both boxes to indicate the expanded supportive services.

- **Increase the number of or expand supportive services provided.**
- **Increase frequency or intensity of supportive services.**

4. Will this expansion project bring existing facilities up to government health or safety standards? Required. Select:

Yes, if this expansion project will be used to bring existing facilities up to state or local government health or safety standards.

No, if this expansion project will not be used to bring existing facilities up to state or local government health or safety standards.

4a. Describe how the project is proposing to bring the existing facility(s) up to state or local government health or safety standards. Required if ‘Yes’ to question 4. Provide a description of the current health or safety standards for which funds are requested and how CoC Program funds will be used to address the issue(s), including the timeframe expected to have the health or safety standards updated.

PH-PSH Part 4: Housing and Services

PH-PSH Screen 4A. Supportive Services for Program Participants

All questions on screen 4A must be completed.

1. Describe how program participants will be assisted to obtain and remain in permanent housing: Required. An acceptable response will acknowledge the needs of the target population and include a plan that addresses the types of assistance that will be provided by the project applicant, or other partners, to ensure program participants served by this project will move into appropriate permanent housing as well as either remain in or move to other permanent housing once assistance is no longer needed. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- how you will determine the right type of housing that fits the needs of program participants (this should match the information entered on screen ‘**4B. Housing Type**’),
- if you will use rental assistance or leasing assistance, how you will work with landlords to address possible issues and challenges,
- the type of assistance and support you will provide to program participants to overcome challenges to permanent housing (e.g., case management, housing counseling, employment resources), and
- how you will work with program participants to set goals towards successful retention of permanent housing.

Finally, if this project will exclusively assist survivors of domestic violence, dating violence, sexual assault, or stalking, the description must include safety planning addressing the needs of this particular homeless population towards meeting the goal of obtaining and maintaining permanent housing.

2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible. Required. Describe how this project will help program participants obtain the benefits for which they are eligible. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- assisting program participants with obtaining and increasing employment income that will lead to successful exits from homelessness (e.g., local employment programs, job training opportunities, educational opportunities),
- the type of mainstream services you will assist program participants with obtaining to increase non-employment income (e.g., SSI, SSDI, Food Stamps, Veterans benefits),
- the type of social services you will provide access and help program participants obtain (e.g., childcare, food assistance, TANF, early childhood education), and
- access to healthcare benefits and resources (e.g., Medicaid, Medicare, healthcare for the homeless, FQHCs).

3. For all supportive services available to program participants, indicate who will provide them and how often they will be provided. Required. From the list of supportive services provided, select the service(s) provided by your project to program participants from, your organization (Applicant), subrecipient(s), partner organization(s), or non-partner organization(s) (e.g., Workforce Board). You should select all services that will be provided to program participants to assist them in

exiting homelessness, not just the costs for which you are requesting from HUD in this project application.

If more than one ‘**Provider**’ or ‘**Frequency**’ is relevant for a single service, select the provider and frequency that is used most. If more than one provider offers the service equally as often, choose the provider according to the following order: (1) Applicant, (2) Subrecipient, (3) Partner, and (4) Non-Partner.

Provider: For the supportive services listed, select one of the following as applicable:

- ‘**Applicant**’ indicates your organization will provide the supportive service,
- ‘**Subrecipient**’ indicates the subrecipient(s) listed on Screen 2A. Project Subrecipients will provide the service,
- ‘**Partner**’ indicates an organization other than a subrecipient of CoC Program funds, but with whom a formal agreement or (MOU) was signed to provide the service, or
- ‘**Non-Partner**’ indicates a specific organization with whom no formal agreement was established regularly provides the service to program participants.

Frequency: Required. For each supportive service selected, use the dropdown to indicate how often the service is provided to program participants. If two frequencies are equally common, select the interval that is most frequent, (e.g., both weekly and monthly are equally common—select weekly).

Identify whether the project includes the following activities:

4. Transportation assistance to program participants to attend mainstream benefit appointments, employment training, or jobs? Required. Select:

Yes, if the project provides regular, or as needed transportation assistance to mainstream and community resources, including appointments, employment training, educational programs, and jobs. Transportation assistance may include bus passes, rail/subway cards, vehicle owned by the organization, etc.

No, if transportation is not regularly provided or cannot be provided consistently as requested.

5. Annual follow-up with program participants to ensure mainstream benefits are received and renewed? Required. Select:

Yes, if the project follows-up with program participants annually to ensure they applied for mainstream benefits (e.g., TANF, food stamps, SSI) for which they are eligible, receiving the benefits, and renew benefits as required.

No, if the project does not follow-up with program participants annually.

6. Will program participants have access to SSI/SSDI technical assistance provided by the project applicant, subrecipient, or partner agency? Required. Select:

Yes, if program participants have access to SSI/SSDI technical assistance. Assistance can be provided by the project applicant, a subrecipient, or a partner agency—through a formal or informal relationship.

No, if there is no or significantly limited access to SSI/SSDI technical assistance.

6a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months? Required if ‘Yes’ is selected for question 6. Select:

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

Yes, if the staff person who provides SSI/SSDI technical assistance completed SOAR training, online or in person, in the past 24 months. If more than one person provides technical assistance, only select ‘Yes’ if all persons have completed the training.

No, if the staff person(s) has not completed SOAR training.

PH-PSH Screen 4B. Housing Type and Location

This screen captures the number of Units, Beds, and Dedicated CH Beds for each housing type and location.

Note: When determining the correct input for Units and Beds, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds should not be higher than the number of households (units), and persons (beds) entered on Screen 5A and Screen 5B.

The primary 4B screen provides a summary of the units and beds included in the project according to the following categories:

- **Total Units**, all **units** in the project, regardless of size.
- **Total Beds**, all “**beds**” (or **spaces for participants**) in the project, regardless of unit configuration.
- **Total Dedicated CH Beds**, all CH beds **dedicated** for individuals and families experiencing chronic homelessness.

The summary table on the primary 4B screen aggregates the individual ‘**Housing Type and Location detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

1. Housing type: Required. Select the type of housing structures where program participants will be housed. If more than one housing type is used you will complete a ‘**Housing Type and Location Detail**’ screen for each type (e.g., both SRO and Clustered Apartments you will enter the information twice, once for each housing type). Select from the following housing types:

- **Barracks:** Individuals or families sleep in a large room with multiple beds. **This type should not be selected as it is not appropriate for PH-PSH projects.**
- **Dormitory: (shared or private rooms).** Individuals or families share sleeping rooms or have private rooms, share a common kitchen, common bathrooms, or both.
- **Shared housing:** Two or more unrelated people share a house or apartment who are not members of the same household. Each unit must contain private space for each individual, plus common space for shared use by the residents of the unit. Projects cannot use zero or one-bedroom units for shared housing.
- **Single Room Occupancy (SRO) units:** Individuals have private sleeping or living room which may contain a private kitchen and bath, or shared, dormitory style facilities.
- **Clustered apartments:** Individuals or families have a self-contained housing unit located within a building or complex that houses both persons with special needs (e.g., persons formerly experiencing homelessness, persons with substance abuse problems, persons with mental illness, or persons with AIDS/HIV) and persons without special needs.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

- **Scattered-site apartments (including efficiencies):** Individuals or families have a self-contained apartment. Apartments are scattered throughout the community.
 - **Single family homes/townhouses/duplexes:** Individuals or families have a self-contained, single-family home, townhouse, or duplex that is located throughout the community.
2. **Indicate the maximum number of Units and Beds available for program participants at the selected housing site:** Required. For this type of housing, enter the total number of units and beds.
- 2a. **Units:** Enter the total number of units available at **full capacity** on a **single night** in the selected housing type and location.
- 2b. **Beds:** Enter the total number of beds available at **full capacity** on a **single night** in the selected housing type and location.

- 2c. **How many beds in ‘2b. Beds’ are dedicated to persons experiencing chronic homelessness?** Required. If you selected ‘**100% Dedicated**’ to question #8 on Screen 3B. Project Description, you must enter all beds as dedicated for individuals and families experiencing chronic homelessness. If you select ‘**DedicatedPLUS**’ you can enter the number of beds that will be dedicated CH, but this is not required so long as all program participants who enter the project meet the ‘**DedicatedPLUS**’ requirements in the NOFO.

If your project has dedicated CH beds to serve families experiencing chronic homelessness, you will enter all beds for the household as CH beds.

Note: A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds **should correlate** to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.

3. **Address:** Required. Enter the address for all properties for which funding is requested. If the location is not yet known, enter the expected location of the housing units. For scattered-site and single-family housing, or for projects that have units at multiple locations, you should enter the address where the majority of units and beds will be located. If the project uses tenant-based rental assistance, or if the address for scattered-site or single-family homes housing cannot be identified at the time of application, enter the address for your administration office.

Important Note: Projects serving survivors, including victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking, may use a PO Box, organizational address, or other anonymous address as necessary to ensure the safety of participants.

4. **Select the geographic area associated with this address:** Required. Select the geographic area(s) associated with the address entered for this project. The geographic areas listed are limited by the state(s) selected on Screen 1D of the application. If you need to select multiple areas due to units located in more than one city or county, hold down the ‘**Ctrl**’ key to make multiple selections.

 - **Substance Use Disorders,**
 - **HIV/AIDS,**
 - **Mental Illness,**
 - **Survivors:** Persons who have experienced trauma or a lack of safety due to domestic violence, dating violence, sexual assault, stalking, human trafficking or other dangerous, traumatic, or life-threatening conditions. PH-PSH Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

NOTE: Your application should reflect 1-year Term and 1 year of funding. Though the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding for each year will be awarded separately. Your application in e-snaps must reflect only one year of funding.

PH-PSH Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

You must enter specific location information for each site requesting capital costs. Create a name for each site that you will recognize as it will populate the list on the primary screen and enter the Street Address, City, State, and Zip Code. The address must be the actual site of the proposed development activities and not the administrative office of your organization or subrecipient. Projects serving survivors, including victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking, may use a PO Box, organizational address, or other anonymous address as necessary to ensure the safety of participants.

You must enter the amount of funds requested for acquisition, rehabilitation, and new construction costs at the structure site.

PH-PSH Screen 6C. Leased Units Budget

You have access to this budget if you check ‘**Leased Units**’ on Screen 6A. The primary screen will aggregate the total assistance requested and total units requested for each FMR area listed on a ‘**Leased Units Budget Detail**’ screen. To add another ‘**Leased Units Budget Detail**’ screen, select add . All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ to save the information and return to the primary screen or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

Metropolitan or non-metropolitan Fair Market Rent area: Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Leased Units Budget Detail**’ screen for each FMR area.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the [FMR tables](#); however, for clarification, the ‘**0-bedroom**’ unit listed in *e-snaps* is the ‘**efficiency**’ unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which you are requesting funds.
- **FMR:** **No action required but it is important to understand that due to *e-snaps* limitations for the FY 2024 project applications, this table will show FY2023 FMR amounts.** The FMR amounts shown in *e-snaps* application tables for both a Leasing BLI and a Rental Assistance BLI are **FY 2023 FMRs** for the FMR areas you selected above. If your project application is selected for conditional award, updates based on the FMRs in effect as of the application submission deadline will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this *e-snaps* table at post award.
- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.
- **Total Units and Annual Assistance Requested:** No action required. This column calculates based on the sum of the total requests per unit size per year.
- **Grant Term:** No action required. This field populates with ‘**1-Year**’ and is read-only.

PH-PSH Screen 6D. Leased Structures Budget

You have access to this budget if you check ‘**Leased Structures**’ on Screen 6A. The primary screen will aggregate the total assistance leased structures requested on ‘**Leased Structures Budget Detail**’ screen(s).

On the ‘**Leased Structures Budget Detail**’ enter the **Structure Name** by which you will identify the leased structure (e.g., name of the property, the street name where it is located), **Street Address, City, State, and Zip Code**. Lastly, enter the monthly amount of HUD paid rent you are requesting for each structure. The amount of leased funds will be calculated by 12 months to populate the **Total Annual Assistance Requested** which is then multiplied by the grant term selected to populate the **Total Request for Grant Term**.

PH-PSH Screen 6E. Rental Assistance Budget

You have access to this budget if you check ‘**Rental Assistance**’ on Screen 6A. The primary screen will aggregate the totals for each FMR area **or** rental assistance type listed on ‘**Rental Assistance Detail**’ screens. Select add  to access a new ‘**Rental Assistance Detail**’ screen. All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

Type of Rental Assistance: Required. Select the type of rental assistance from the dropdown:

- PRA – project-based rental assistance where program participants must reside in housing provided through a contract with the owner of an existing structure whereby the owner agrees to lease subsidized units to program participants. Program participants may not retain their rental assistance if they relocate to a unit outside the project,
- SRA – sponsor-based rental assistance where program participants must reside in housing owned or leased by a sponsor organization and arranged through a contract between the recipient and the sponsor organization or,
- TRA – tenant-based rental assistance where program participants select any appropriately sized unit within the CoC’s geographic area, although recipients or subrecipients may restrict the location under certain circumstances to ensure the availability of the appropriate supportive services.

If you have more than one rental assistance type for the project, you must create a separate detail budget screen for each rental assistance type, even if they are in the same FMR area. For example, if the project consists of 10 PRA units and 10 TRA units in County A, you must submit two ‘**Rental Assistance Budget Detail**’ screens for County A—one for the 10 PRA units and one for the 10 TRA units.

Metropolitan or non-metropolitan Fair Market Rent area: Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Rental Assistance Budget Detail**’ screen for each FMR area.

The CoC Program has added eligible rural cost budget categories to be added in a new CoC Rural Cost Budget Line Item (BLI). The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS. There are three CoC Program rural cost categories that can be requested for your new CoC Rural Cost BLI (for activities in eligible rural or tribal geocodes only).

- **Short-term emergency lodging** to include housing in motels or shelters, either by providing direct funding or through vouchers.
- **Repairs to housing units** in where individuals and families experiencing homelessness will be housed, including housing units currently not fit for human habitation.
- **Staff Training** to include professional development, skill development, and staff retention activities.

Enter the amount(s) you are requesting for this project’s Short-term emergency lodging, Repairs to housing units, and Staff Training CoC Rural cost categories. The total amount calculates when you select ‘**Save**’.

- **CoC Rural BLI Total:** No action required. This field calculates based on the sum for each eligible cost where you entered information above.

- **Grant Term:** No action required. This field populates based on the grant term selected on the ‘6A. Funding Request’ screen.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

PH-PSH Screen 6I. Sources of Match

You must complete the ‘Sources of Match’ screen. See 24 CFR 578.73 for CoC Program match requirements. If you plan to use program income as a match, you must provide an estimate of how much program income will be used.

The **Summary for Match** fields on this screen will populate once all match information is entered and saved on the **Sources of Match Detail** screen.

1. **Will this project generate program income described in 24 CFR 578.97 to use as Match for this project?** Required. Select:

Yes, if your project plans to use program income as match, complete the next two questions.

No, if your project will not use program income as match.

- 1a. **Briefly describe the source of the program income.** Required if you selected ‘Yes’ to question 1.

Provide the source of program income with a brief description.

- 1b. **Estimate the amount of program income that will be used as Match for this project.**

Required if you selected ‘Yes’ to question 1. Enter estimated amount.

Sources of Match Detail Screen(s): Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

Example: If the ‘Total Assistance Requested’ for a PH-PSH project is \$100,000 without leasing costs, then you must match funds of no less than \$25,000.

The summary table on the primary ‘Sources of Match’ screen aggregates the multiple cash and in-kind commitments entered in the ‘Sources of Match Detail’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘Save & Back to List’ to save the information and return to the primary screen. Select ‘Save & Add Another’ to add another detail screen. To view and edit, select view . To delete, select .

You need to complete this screen for each type of match commitment you want to include with your project application. Once completed with this ‘Sources of Match Detail’ screen, return to the ‘Sources of Match’ screen where you will see the total commitment amounts for Cash, In-Kind, and All, as applicable.

1. **Type of Commitment:** Required. Select ‘Cash’ or ‘In-Kind’ (non-cash) to indicate the type of contribution that describes this match commitment. If applications include third-party in-kind match, you must attach MOU(s) documentation that confirms the in-kind match commitment.

Cash, if you will use cash to satisfy the match requirement.

In-Kind, if you will use the value of any real property, equipment, or services contributed to this project that are eligible costs under the CoC Program.

Permanent Housing (PH) – Permanent Supportive Housing (PSH) New Project Applications

2. **Source:** Required. Select:

Private, the match will be provided by a non-government entity.

Government, the match will be provided by a government entity (e.g., HUD-VASH (VA Supportive Housing program)) so long as the government funds do not prohibit their use as a match for another federal program.

3. **Name of Source:** Required. Enter the name of the organization providing the contribution. Be specific and include the office or grant program as applicable.

4. **Amount of Written Commitment:** Required. Enter the total dollar value of the contribution.

PH-PSH Screen 6J. Summary Budget

This screen summarizes the total funding request for a project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the '**Admin**' field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be required to return to the **Sources of Match** screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select '**Save**'.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field '**7. Sub-Total Costs Requested**'. If an ineligible Admin amount is entered, *e-snaps* will report an error when the screen is saved, '**The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested**'. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin.** amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, '**The Total Match amount is less than 25 percent**'. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you must return to a '**Sources of Match Detail**' screen to make the necessary adjustments to increase the match amount for this project application.

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

[RETURN to All Projects Part 2 through Part 8](#)

The following instructions apply to **Permanent Housing (PH)–Rapid Re-Housing (RRH)** projects in accordance with **PH-RRH** requirements in 24 CFR 578.37(a)(1)(ii). Before completing this part of the application, carefully review the specific requirements for **PH-RRH** projects in the NOFO. New **PH-RRH** project applications can request funds through the Reallocation process, CoC Bonus, combination of Reallocation and CoC Bonus, or DV Bonus.

PH-RRH Part 3: Project Information

PH-RRH Screen 3A. Project Detail

All questions on Screen 3A must be completed for submission of this application.

- 1. CoC Number and Name:** Required. Select the CoC Number and Name from the dropdown. **Selecting the correct CoC is critical.** The dropdown contains all CoCs that were registered in the FY 2024 CoC Program Registration process and are listed according to the CoC Number (e.g., NE-502) and CoC Name (e.g., Lincoln County CoC). Based on the selection made in this field, when ‘**Submit**’ is selected on Screen 8B, *e-snaps* will send this project application to the CoC selected.
Note: You should only use the ‘**No CoC**’ option in instances where a project is in a geographic area not claimed by any CoC or if the project applicant is submitting a Solo Appeal.
- 2. CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2024 CoC Program Registration process.
- 3. Project Name:** No action required. This field populates from the *e-snaps* ‘**Project**’ screens and is read-only. If the project name is incorrect, exit the project application screens and open the *e-snaps* ‘**Project**’ screens by selecting ‘**Projects**’ from the left menu to correct the information.
- 4. Project Status:** Required. This field defaults to the ‘**Standard**’ option and should only be changed to ‘**Appeal**’ if your organization will submit a ‘**Solo Appeal**’. If you select ‘**Appeal**’, Screen 8A ‘**Notice of Intent to Appeal**’ will appear on the left menu and you must complete additional information and include the attachment noted in the Solo Appeal process, see instructions for Screen 8A above.
- 5. Component Type:** Required. Select **PH**.
 - 5a. Select the type of PH project:** Required. Select ‘**RRH**’.
Note: The only type of rental assistance permitted for a PH-RRH project is TRA, tenant-based rental assistance.
- 6. Is your organization, or subrecipient, a victim service provider defined in 24 CFR 578.3?** Required. Select:
Yes, if your organization, or subrecipient, is a victim service provider defined in 24 CFR 578.3.
24 CFR 578.3: Victim service provider means a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking. This term includes rape crisis centers, battered women's shelters, domestic violence transitional housing programs, and other programs.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

No, if your organization, or subrecipient, is not a victim service provider.

7. Is this new project application requesting to transition from eligible renewal project(s) that was awarded to the same recipient and fully eliminated through reallocation in this CoC Program Competition? (Attachment Requirement) Required. For additional information refer to the NOFO for requirements to transition a renewal project from its existing component (e.g., TH) to another eligible new component (e.g., PH-PSH) through the CoC Program Competition. To facilitate this component change, you must work with the CoC and use the reallocation process to fully eliminate the eligible renewal project(s) to transition the project to the new component. Select:

Yes, if this new project application is requesting a transition grant.

If ‘Yes’ is selected, you will provide information regarding the expiring component in the next two questions. The remainder of this new project application will only capture information regarding how the project will operate under the new component. If this transition project is selected for conditional award, you will work with the local HUD CPD field office to determine how the old component will wind down while ramping up the new component.

No, if this new project application is not requesting a transition grant.

7a. List all expiring project(s) involved in the transition: Required. If ‘Yes’ to question 7, the expiring renewal project(s) must be fully eliminated using the reallocation process.

At least one eliminated project must be entered in the table. Up to 4 may be entered.

Full Grant Number	Operating Start Date	Expiration Date	Component Type
Enter the full grant number of the expiring renewal project (e.g., CA0001L5F012003)	Enter the date for ‘PoP Start’ from eLOCCS	Enter the date for ‘PoP End’ from eLOCCS	Select the expiring renewal component (e.g., TH)

IMPORTANT: For all expiring renewal projects listed in the table, attach a copy of the approved renewal project application(s) on Screen ‘**7A Attachments**’ (e.g., if the expiring project was funded in the FY 2023 CoC Program Competition, attach a copy of the FY 2023 project application).

7b. Provide a description that addresses the scope of the proposed transition during the first year of operation. Required. If ‘Yes’ is selected in question 7, provide a detailed description of how the project will transition from the renewal project to the new project. The description must include:

- how you will reduce activities in the old renewal component as it transitions to the new component, including the plan for ensuring existing program participants do not become homeless,
- estimated date the project will be fully operating as the newly awarded component within the one-year grant term.

For example, if you are eliminating a TH project to create a new PH-PSH project, you must describe how the project will strategically wind down the transitional housing project, include how current TH program participants will be assisted in obtaining permanent housing while you will also ramp up the PH-PSH project over the course of the one-year grant term. You must also provide assurances the new PH-PSH component will be fully operational at the end of the grant term. Finally, include the amount of funds from this transitional grant application that will be used to wind down the outgoing TH activities with the estimated date for completion.

- 8. Will funds requested in this new project application replace state or local government funds (24 CFR 578.87(a))?** Required. Select the appropriate response. CoC Program funds cannot be awarded if used to replace state or local government funds.

Yes, if this project is expected to replace state or local funds and not comply with this criterion.

No, if this project will not replace state or local funds and will comply with this criterion.

- 10. Is this project applying for Rural costs on screen 6A?** Required. Select Yes or No from the dropdown menu if your project plans to request rural costs. (**Note:** rural costs may **ONLY** be used for rural areas and must be associated with a valid rural or tribal geo-code. A project that serves both rural and non-rural areas may request a rural BLI for the project, however, the rural BLI can only be used in the rural geographic area.) If yes, the following 3 tables will appear:

(Rural costs ONLY) Select the state(s), rural geo-code(s), and/or tribal geo-code(s), as needed for the rural geographic area(s) to be served by this project. Double click on your selection(s) or use the arrows between the tables to move “Available Items” to “Selected Items.” If you need to select multiple areas, hold down the “Ctrl” key to make multiple selections.

10a. Area(s) affected by the project (state(s) only):

10b. Area(s) affected by the project (rural geo-code(s) only):

10c. Area(s) affected by the project (tribal geo-code(s) only). Only make a selection if the project will serve a tribal area. If no tribal area will be served, leave this field blank. Do not make any selections.

PH-RRH Screen 3B. Description

All questions on Screen 3B are required and provide HUD with a detailed description of the project.

- 1. Provide a description that addresses the entire scope of the proposed project.** Required. Provide a detailed description of the scope of the project including the target population(s) to be served, project plan for addressing the identified housing and supportive service needs, anticipated project outcome(s), coordination with other organizations (e.g., federal, state, nonprofit), and how the CoC Program funding will be used.

The information in this description must align with the information entered in other screens of this application. Additionally, if your project implements any service participation requirements or requirements that go beyond what is typically included in a lease agreement, describe those requirements and how they will be implemented.

- 2. For each primary project location, or structure, enter the number of days from the execution of the grant agreement that each of the following milestones will occur.** Required. You must enter information in at least one field on the table. If your project includes multiple structures, you will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

3. **Check the appropriate boxes if this project will have a specific subpopulation focus. (Select ALL that apply)** Required. Check the appropriate boxes to indicate this project will focus on one or more specific subpopulations. The boxes checked should match the information provided in the project description. If this project does not have a specific subpopulation focus, select ‘N/A - Project Serves All Subpopulations’. If a subpopulation focus for your organization is not listed, check the box next to ‘Other’ and enter the subpopulation in the text box provided.

- **Veterans**
- **Youth (under age 25)**
- **Families**
- **Survivors:** Persons who have experienced trauma or a lack of safety due to domestic violence, dating violence, sexual assault, stalking, human trafficking or other dangerous, traumatic, or life-threatening conditions. (**Note:** this field includes all people in households eligible to be served with DV Bonus funds but may also include survivors who do not meet the narrower definition of DV Bonus eligibility. For more information on subpopulation eligible to be served in DV Bonus projects, see Section I.B.2.b.6 of the NOFO for more information.)
- **Substance Use Disorders**
- **Mental Illness**
- **HIV/AIDS**
- **Chronic Homelessness**
- **Other**
- **N/A – Project Serves All Subpopulations**

4. **Will your project participate in the CoC’s Coordinated Entry (CE) Process or recipient organization is a victim service provider, as defined in 24 CFR 578.3 and uses an alternate CE process that meets HUD’s minimum requirements?** Required. Coordinated Entry is a process designed to coordinate program participant intake, assessment, and provision of referrals. A CE process must cover the entire CoC’s geographic area, is easily accessed by individuals and families seeking housing **or** services, is well advertised, and includes a comprehensive and standardized assessment tool and process. Participation in a CE process is a requirement for all applicants of CoC Program funds. Select:

Yes, if this project will participate in the CoC’s CE process or applicant organization is a victim service provider and uses an alternate CE process that meets HUD's minimum requirements.

No, if this project will not meet these criteria.

5. **Housing First.** Housing First is a model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as, sobriety or a minimum income threshold). See Section V.B.1.i. of the NOFO for additional information. A Housing First approach quickly connects individuals and families experiencing homelessness to permanent housing:

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- no barriers to entry (e.g., sobriety, treatment, or service participation requirements),
- no preconditions (e.g., sobriety, income), and
- does not terminate program participants from the project for lack of participation (e.g., supportive service participation requirements or rules beyond normal tenancy rules).

Supportive services are voluntary and offered to maximize housing stability and prevent returns to homelessness. For further information refer to the: [Housing First in PSH Brief](#).

The questions in this section identify whether your project operates consistent with a Housing First approach.

5a. Will the project quickly move participants into permanent housing? Required. If ‘No’ is selected, 5d will be ‘No’ for following a housing first approach. Select:

Yes, if your project will rapidly move program participants into permanent housing and will not require additional steps (e.g., a required stay in transitional housing or a certain number of days of sobriety).

If this is a DV Bonus, DV renewal, DV reallocation, or other project application focused on survivors, including survivors of domestic violence, sexual assault, stalking, dating violence, or human trafficking select ‘Yes’ if the project will rapidly move program participants into permanent housing after the participant determines their immediate safety needs have been addressed (i.e., survivor(s) believes they are not in danger and want to move into their own permanent housing).

No, if the project requires additional steps prior to helping a program participant obtain permanent housing.

5b. Will the project enroll program participants who have the following barriers? Select all that apply. Required. Checking the box next to each item listed confirms your project will enroll a household if they present with the perceived barrier (e.g., if they will enroll a household that has no income at time of enrollment). Committing to not screening out participants for the first four boxes supports a housing first approach. If ‘None of the above’ is selected, 5d will be ‘No’ for housing first. If your project will not enroll a household that presents with any of the barriers listed below at the time of application (e.g., if you require a minimum income, require sobriety, and will not house people with a criminal record or a history of victimization), select ‘None of the above’.

- **Having too little or little income,**
- **Active or history of substance use,**
- **Having a criminal record with exceptions for state-mandated restrictions,**
- **History of victimization (e.g., domestic violence, sexual assault, childhood abuse), and**
- **None of the above.**

5c. Will the project prevent program participant termination from the project for the following reasons? Select all that apply. Required. Committing to not screening out participants for the first four boxes supports a housing first approach. If ‘None of the above’ is selected, 5d will be ‘No’.

- **Failure to participate in supportive services,**
- **Failure to make progress on a service plan,**

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- Loss of income or failure to improve income,
- Any other activity not covered in a lease agreement typically found for unassisted persons in the project’s geographic area, and
- None of the above.

5d. Will the project follow a ‘Housing First’ approach? No action required. This question automatically populates based on the responses to questions 5a, 5b, and 5c.

Yes, is populated if you selected ‘Yes’ for question 5a **and** checked the first four boxes in questions 5b and 5c. This confirms the project will operate following a housing first approach.

No, is populated if you selected ‘No’ to question 5a **or** did not check all boxes **or** checked ‘None of the above’ for questions 5b or 5c. This confirms the project will not operate following a housing first approach.

Any project application with ‘Yes’ for question 3d commits to and must operate following Housing First during its FY 2024 grant term.

6. Will program participants be required to live in a specific structure, unit, or locality, at any time while in the program? Required. Select:

Yes, if any portion of the project will be site-based or require program participants to live in a specific locality, city, or specific area.

No, program participants will not be required to live in a specific locality, city, or area.

Note: For PH-RRH you may require program participants to live in a specific area or structure **only** for the first year of participation when it is necessary for coordination of supportive services.

6a. Explain how and why the project will implement this requirement. Required if you answered ‘Yes’ to question 6. Describe the reason for this program design. For example, if your organization owns a building where program participants will reside, or you will require program participants meet with a case manager at least monthly in their first year of assistance and the case managers offices are located in the specific area. For PH-RRH, explain why implementing this requirement is necessary for providing supportive services.

7. Will more than 16 persons live in a single structure? Required. Select:

Yes, indicates more than 16 persons will reside in a single structure.

No, if this will not occur.

7a. Describe the local market conditions that necessitate a project of this size. Required if you answered ‘Yes’ to question 7. In the text box provided, explain the local market conditions that require placing more than 16 persons in a single structure.

7b. Describe how the project will be integrated into the neighborhood. Required if you answered ‘Yes’ to question 7. In the text box provided, explain how your organization will successfully integrate program participants into the neighborhood.

PH-RRH Screen 3C. Project Expansion Information

You can apply for a new project that will expand an existing eligible CoC Program renewal project (see Section III.4.a.(6) of the NOFO), so long as it is the same component and type (e.g., both the new and renewal project applications are PH-RRH). To apply for a new project that will expand an existing eligible CoC Program renewal project you will create and submit **two** project applications: a ‘**Stand-alone New**’

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

and a ‘**Stand-alone Renewal**’. If awarded, HUD will combine these two applications into one project in the post-award process. Please ensure that budgets and proposed numbers of units, people to be served, etc. are not duplicated between the Stand-alone New and Stand-alone Renewal applications, in order to ensure the accuracy of the final project.

Note: the same renewal project may NOT be part of both a consolidation and an expansion in the 2024 CoC Competition. If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation.

For instructions to complete a ‘**Stand-alone Renewal**’ project application, review the ‘**Renewal Expansion Process and Questions**’ instructions on pages 17-19 of the **CoC Renewal Project Application Detailed Instructions**.

You must complete the first question on Screen 3C that will notify HUD you are submitting a new expansion project that is tied to an eligible renewal project.

1. Is this a ‘Project Expansion’ of an eligible renewal project? Required. Select:

Yes, this is a new project application that will expand an existing eligible renewal project application and is the same component and type as the renewal.

No, this new project application is not part of an expansion request. Click ‘**Save**’ or ‘**Save & Next**’ to move to the next screen.

If you answered ‘**Yes**’ to question 1, you must complete the remainder of this screen. The next two questions are used to match this new expansion project application with the renewal project application you are submitting.

1a. Eligible Renewal Grant PIN. Enter the PIN exactly as it was entered in the renewal project application (see screen 1A. SF-424 Application Type, question 5a or 5b of your renewal project application). Additionally, to ensure you enter the correct PIN on both applications, refer to the current grant agreement or grant agreement amendment for the renewal project this new project will expand.

1b. Eligible Renewal Grant Project Name. Enter the Project Name exactly as it was entered in the renewal project application (see screen PH-PSH Screen 3A. Project Detail, question 4 of your renewal project application).

The following questions inform HUD how this new project will expand the eligible renewal project application. You must respond to each question with ‘**Yes**’ or ‘**No**’ and for each ‘**Yes**’ response you must complete the additional questions. An expansion must select yes to one of the following questions in order to be valid.

2. Will this expansion project increase the number of program participants? Required. Select:

Yes, if this project will increase the number of program participants assisted (e.g., adding units) and respond to the set of questions that appear.

No, if this project will not increase the number of program participants.

2a. Currently Approved Renewal Numbers (from ‘Stand-alone Renewal’ project application).

The numbers for this section must be the point-in-time numbers according to the current grant agreement or grant agreement as amended for the renewal project.

Note: When determining the correct input for Units, Beds, Households, and Persons, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive

services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds should not be higher than the number of households (units), and persons (beds).

- Number of **persons** (From renewal application Screen 5A)
- Number of **units** (From renewal application Screen 4B)
- Number of **beds** (From renewal application Screen 4B)

2b. New effort: New Requested Numbers to Add (from this ‘Stand-alone New’ project application). Enter the proposed point-in-time numbers that will be added to the renewal project. The numbers entered must match the numbers entered in the identified screens of this new project application. **Note:** only enter the additional persons/units/beds that will be added under the expansion. Do not enter a combined total.

- Number of **additional persons** (From this new application Screen 5A)
- Number of **additional units** (From this new application Screen 4B)
- Number of **additional beds** (From this new application Screen 4B)

3. Will this expansion project provide additional supportive services to program participants? Required. Select:

Yes, if this expansion project will provide additional supportive services.

No, if this expansion project will not provide additional supportive services.

3a. Indicate how the project will provide additional supportive services to program participants. Required if ‘Yes’ to question 3. Check one or both boxes to indicate the expanded supportive services.

- **Increase the number of or expand supportive services provided.**
- **Increase frequency or intensity of supportive services.**

4. Will this expansion project bring existing facilities up to government health or safety standards? Required. Select:

Yes, if this expansion project will be used to bring existing facilities up to state or local government health or safety standards.

No, if this expansion project will not be used to bring existing facilities up to state or local government health or safety standards.

4a. Describe how the project is proposing to bring the existing facility(s) up to state or local government health or safety standards. Required if ‘Yes’ to question 4. Provide a description of the current health or safety standards for which funds are requested and how CoC Program funds will be used to address the issue(s), including the timeframe expected to have the health or safety standards updated).

PH-RRH Part 4: Housing and Services

PH-RRH Screen 4A. Supportive Services for Program Participants

All questions on screen 4A must be completed.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

1. Describe how program participants will be assisted to obtain and remain in permanent housing: Required. As Rapid Re-Housing funds are short-term (up to 3 months) or medium-term (up to 24 months) tenant-based rental assistance, describe how the project applicant will help program participants obtain permanent housing, and provide the necessary services and support to help program participants successfully remain in permanent housing once assistance ends. An acceptable response will acknowledge the needs of the target population and include a plan that addresses the types of assistance that will be provided by the project applicant, or other partners, to ensure program participants served by this project will move into appropriate permanent housing as well as either remain in or move to other permanent housing once assistance is no longer needed. The description should include how you will:

- determine the right type of housing that fits the needs of program participants (this should match the information entered on screen ‘**4B. Housing Type**’).
- work with landlords to address possible issues and challenges.
- work with program participants to set goals towards successful retention of permanent housing.

If this project will exclusively assist survivors of domestic violence, dating violence, sexual assault, or stalking, the description must include safety planning addressing the needs of this particular homeless population towards meeting the goal of obtaining and maintaining permanent housing.

If applying for DV Bonus or DV Reallocation funds you must also include in the description how program participants (survivors of domestic violence, dating violence, sexual assault, and/or stalking) will be assisted to obtain and remain in permanent housing that addresses their particular needs and includes trauma-informed, victim-centered approaches.

- *Trauma-informed:* Approaches delivered with an understanding of the vulnerabilities and experiences in trauma survivors, including the prevalence and physical, social, and emotional impact of trauma. A trauma-informed approach recognizes signs of trauma in staff, clients, and others and responds by integrating knowledge about trauma into policies, procedures, practices, and settings. Trauma-informed approaches place priority on reassuring the survivor's feelings of safety, choice, and control.
- *Victim-centered:* Placing priorities, needs, and interests at the center of the work with the victim, providing nonjudgmental assistance, with an emphasis on client self-determination, where appropriate, and assisting victims in making informed choices, ensuring that restoring victims' feelings of safety and security are a priority and safeguarding against policies and practices that may inadvertently re-traumatize victims, ensuring that victims' rights, voices, and perspectives are incorporated when developing and implementing system- and community-based efforts that impact crime victims.

2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible. Required. Describe how this project will help program participants obtain the benefits for which they are eligible. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- assisting program participants with obtaining and increasing employment income that will lead to successful exits from homelessness (e.g., local employment programs, job training opportunities, educational opportunities),

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- the type of mainstream services you will assist program participants with obtaining to increase non-employment income (e.g., SSI, SSDI, Food Stamps, Veterans benefits),
- the type of social services you will provide access and help program participants obtain (e.g., childcare, food assistance, TANF, early childhood education), and
- access to healthcare benefits and resources (e.g., Medicaid, Medicare, healthcare for the homeless, FQHCs).

- 3. For all supportive services available to program participants, indicate who will provide them and how often they will be provided:** Required. From the list of supportive services provided, select the service(s) provided by your project to program participants from, your organization (Applicant), subrecipient(s), partner organization(s), or non-partner organization(s) (e.g., Workforce Board). You should select all services that will be provided to program participants to assist them in exiting homelessness, not just the costs for which you are requesting from HUD in this project application.

If more than one ‘**Provider**’ or ‘**Frequency**’ is relevant for a single service, select the provider and frequency that is used most. If more than one provider offers the service equally as often, choose the provider according to the following order: (1) Applicant, (2) Subrecipient, (3) Partner, and (4) Non-Partner.

Provider: For the supportive services listed, select one of the following as applicable:

- ‘**Applicant**’ indicates your organization will provide the supportive service,
- ‘**Subrecipient**’ indicates the subrecipient(s) listed on Screen 2A. Project Subrecipients will provide the service,
- ‘**Partner**’ indicates an organization other than a subrecipient of CoC Program funds, but with whom a formal agreement or (MOU) was signed to provide the service, or
- ‘**Non-Partner**’ indicates a specific organization with whom no formal agreement was established regularly provides the service to program participants.

Frequency: Required. For each supportive service selected, use the dropdown to indicate how often the service is provided to program participants. If two frequencies are equally common, select the interval that is most frequent, (e.g., both weekly and monthly are equally common—select weekly).

Identify whether the project includes the following activities:

- 4. Transportation assistance to program participants to attend mainstream benefit appointments, employment training, or jobs?** Required. Select:

Yes, if the project provides regular, or as needed transportation assistance to mainstream and community resources, including appointments, employment training, educational programs, and jobs. Transportation assistance may include bus passes, rail/subway cards, vehicle owned by the organization, etc.

No, if transportation is not regularly provided or cannot be provided consistently as requested.

- 5. Annual follow-up with program participants to ensure mainstream benefits are received and renewed?** Required. Select:

Yes, if the project follows-up with program participants annually to ensure they applied for mainstream benefits (e.g., TANF, food stamps, SSI) for which they are eligible, receiving the benefits, and renew benefits as required.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

No, if the project does not follow-up with program participants annually.

6. Will program participants have access to SSI/SSDI technical assistance provided by the project applicant, subrecipient, or partner agency? Required. Select:

Yes, if program participants have access to SSI/SSDI technical assistance. Assistance can be provided by the project applicant, a subrecipient, or a partner agency—through a formal or informal relationship.

No, if there is no or significantly limited access to SSI/SSDI technical assistance.

6a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months? Required if ‘Yes’ is selected for question 6. Select:

Yes, if the staff person who provides SSI/SSDI technical assistance completed SOAR training, online or in person, in the past 24 months. If more than one person provides technical assistance, only select ‘Yes’ if all persons have completed the training.

No, if the staff person(s) has not completed SOAR training.

PH-RRH Screen 4B. Housing Type and Location

This screen will capture the number of Units and Beds for each housing type and location.

Note: When determining the correct input for Units and Beds, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds should not be higher than the number of households (units), and persons (beds) entered on Screen 5A and Screen 5B.

- **Total Units**, all **units** in the project, regardless of size.
- **Total Beds**, all **“beds” (or spaces for participants)** in the project, regardless of unit configuration

The summary table on the primary 4B screen aggregates the individual ‘**Housing Type and Location detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

1. Housing type: Required. Select the type of housing structures where program participants will be housed. If more than one housing type is used you will complete a ‘**Housing Type and Location Detail**’ screen for each type (e.g., both SRO and Clustered Apartments you will enter the information twice, once for each housing type). Select from the following housing types:

- **Barracks:** Individuals or families sleep in a large room with multiple beds. **This type is not appropriate for the PH-RRH projects and should not be selected.**
- **Dormitory: (shared or private rooms).** Individuals or families share sleeping rooms or have private rooms, share a common kitchen, common bathrooms, or both. **This type is not appropriate for PH-RRH projects and should not be selected.**
- **Shared housing:** Two or more unrelated people share a house or apartment who are not members of the same household. Each unit must contain private space for each individual, plus common space for shared use by the residents of the unit. Projects cannot use zero or one-bedroom units for shared housing.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- **Single Room Occupancy (SRO) units:** Individuals have private sleeping or living room which may contain a private kitchen and bath, or shared, dormitory style facilities.
 - **Clustered apartments:** Individuals or families have a self-contained housing unit located within a building or complex that houses both persons with special needs (e.g., persons formerly experiencing homelessness, persons with substance abuse problems, persons with mental illness, or persons with AIDS/HIV) and persons without special needs.
 - **Scattered-site apartments (including efficiencies):** Individuals or families have a self-contained apartment. Apartments are scattered throughout the community.
 - **Single family homes/townhouses/duplexes:** Individuals or families have a self-contained, single-family home, townhouse, or duplex that is located throughout the community.
- 2. Indicate the maximum number of Units and Beds available for program participants at the selected housing site:** Required. For this type of housing, enter the total number of units and beds.
- 2a. Units:** Enter the total number of units available at full capacity on a single night in the selected housing type and location.
- 2b. Beds:** Enter the total number of beds available at full capacity on a single night in the selected housing type and location.
- Note:** A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds **should correlate** to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.
- 3. Address:** Required. Since PH-RRH projects use tenant-based rental assistance (TRA) and the address for scattered-site or single-family homes cannot be identified at the time of application, enter the address for the project’s administration office.
- Important Note:** Projects serving survivors, including victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking, may use a PO Box, organizational address, or other anonymous address as necessary to ensure the safety of participants.
- 4. Select the geographic area associated with this address:** Required. Select the geographic area(s) associated with the address entered for this project. The geographic areas listed are limited by the state(s) selected on Screen 1D of the application. If you need to select multiple areas due to units located in more than one city or county, hold down the ‘Ctrl’ key to make multiple selections.

PH-RRH Part 5: Program Participants

PH-RRH Screen 5A. Program Participants - Households

The information on this screen captures program participant information that includes the number of households the project serves, the characteristics of those households, and the number of persons for each household type, as applicable.

Note: When determining the correct input for Units and Beds, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds on Screen 4B should not be higher than the number of households (units), and persons (beds) entered here.

PH-RRH Screen 5B. Program Participants - Subpopulations

The following table appears on this screen to capture the subpopulation information for the households entered on Screen 5A and are based on a single point in time. Referring to Screen 5A, for each household where numbers were entered, enter those numbers in the appropriate column for that section. You will only enter numbers in the categories where you entered numbers on Screen 5A and the numbers in this table must match the numbers from the table on Screen 5A.

If the numbers for all three sections of this table do not match and correlate to Screen 5A, you will receive an error message to correct the information entered on this screen.

To complete the columns correctly, the following rules apply for all three household types:

- The numbers entered for the following columns **cannot be duplicated** within these three subpopulations:

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- **CH (Not Veterans)**—number of chronically homeless non-veterans which must match the number of beds entered for question ‘**2b. Beds**’ on Screen 4B. Do not include chronically homeless veterans, or
 - **CH Veterans** –number of chronically homeless veterans, regardless of discharge reason, or
 - **Veterans (Not CH)**– number of veterans who do not meet the chronically homeless definition.
- The numbers entered for the following columns ***can be duplicated*** (i.e., participants may be counted under more than one of the following categories) and should reflect the estimated subpopulations program participants fall under:

For more information on subpopulation eligible to be served in DV Bonus projects, see Section I.B.2.b.6 of the NOFO for more information.),
 - **Physical Disability,**
 - **Developmental Disability, and**
 - **Persons Not Represented by a Listed Subpopulation.** For this last item, you will be required to enter a description of program participants who fall into this category that will appear at the bottom of the table on this screen.

PH-RRH Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

NOTE: Your application should reflect 1-year Term and 1-year of funding. Though the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two one-year budget periods. Your application in e-snaps must reflect only one year of funding.

PH-RRH Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

- 1. Will it be feasible for the project to be under grant agreement by September 15, 2026?** Select:
 - Yes**, to indicate the project intends to have a signed grant agreement by September 15, 2026. All funds conditionally awarded in the FY 2024 CoC Program Competition must be obligated via grant agreement no later than September 15, 2026.
 - No**, the project does not intend to have a signed grant agreement by September 15, 2026. By selecting this response, you will not be able to submit this project application in *e-snaps*.
- 2. What type of CoC funding is this project applying for in this CoC Competition?** From the dropdown, select the type of CoC Program funding that is being requested. New **PH-RRH** project applications can request funds through:
 - **Reallocation**, funds that have been reallocated from an eligible renewal project,
 - **CoC Bonus**, funds available through the CoC Bonus,
 - **Reallocation + CoC Bonus**, a combination of funds available from an eligible renewal project that was reallocated and funds from the available CoC Bonus amount, and
 - **DV Bonus**, funds available to serve 100 percent survivors of domestic violence, dating violence, sexual assault, and/or stalking.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- **DV Reallocation**, funds that have been reallocated from an eligible DV Bonus project. Project must serve 100 percent survivors of domestic violence, dating violence, sexual assault, and/or stalking.

Note: DV Bonus funds and DV Reallocation funds are eligible for new **PH-RRH** projects.

2a. Will the project serve exclusively households who are eligible to be served with DV Bonus funding (survivors of domestic violence, dating violence, sexual assault, and/or stalking)? (Projects that are focused on other populations, including survivors of human trafficking, should select “No” unless the project will be limited specifically to survivors of domestic violence, dating violence, sexual assault, and/or stalking.)

Yes, will exclusively serve DV Bonus eligible population.

No, will not exclusively serve DV Bonus eligible population.

3. Does this project propose to allocate funds according to an indirect cost rate? Required. See Section III.B.4.b.(4) of the NOFO for additional information and select:

Yes, if your project will use an indirect cost rate either approved by a cognizant agency or will use the 10 percent de minimis rate.

No, your project will not use an indirect cost rate.

3a. Complete the indirect cost rate table below: Required if you answered ‘Yes’ to question 1. Complete using information from your approved indirect cost agreement or enter 10 percent to use de minimis rate:

- **Cognizant Agency** – if you have an approved indirect cost agreement, enter the name of the Cognizant Agency with whom you have the agreement (e.g., HUD, HHS), or if using the 10 percent de minimis enter ‘NA’.
- **Indirect Cost Rate** – enter one of the following if you:
 - have an approved indirect cost agreement, enter the rate percentage (e.g., 18 %) or
 - will use the 10 percent de minimis rate, enter 10 %.
- **Direct Cost Base** – enter the amount of your direct cost base for this application.
- **Select from the dropdown menu either ‘Plan Approved by cognizant agency’ or ‘Will use 10 % de minimis rate’.**

Cognizant Agency	Indirect Cost Rate	Direct Cost Base	Plan approved by cognizant agency or Will use 10 % de minimis rate
	%	\$	Dropdown menu

4. Select a grant term: Required. **Note: Most projects should choose 1-year Term in this field. -While the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two 1-year budget periods. Your application in e-snaps must reflect only 1-year of funding.** Your new project application may request 1-year, 2-years, 3-years, 4-years, 5-years, or 15-years; however, some exceptions apply (see Section III.B.4.d.(4) of the NOFO for the complete list).

5. Select the costs for which funding is requested: Required. Check the boxes for the BLI(s) that your project request funds (see 24 CFR 578, Subpart D, Program Components and Eligible Costs and 24 CFR 578.87(c)–Restriction on Combining Funds to ensure eligible use of funds).

 - **Rural (Section III.B.4.b.(3) of CoC NOFO)**
6. **If conditionally awarded, is this project requesting an initial grant term greater than 12 months? (13 to 18 months).** Required only if you requested a 1-year grant term in question 4. For additional information see Section III.B.4.d.(4) of the NOFO. Select:
- Yes**, if you are requesting up to 6 additional months to operate this project.
- No**, if you expect to operate this project with a 12-month grant term.
- 6a. **Select the number of months requested for the initial grant term. (Dropdown of 13 to 18 months).** Required if ‘Yes’ was selected to question 6. Using the dropdown, select the total number of months you are requesting for the initial grant term.

PH-RRH Screen 6E. Rental Assistance Budget

You have access to this budget if you check ‘**Rental Assistance**’ on Screen 6A. The primary screen will aggregate the totals for each FMR area **or** rental assistance type listed on ‘**Rental Assistance Detail**’ screens. Select add  to access a new ‘**Rental Assistance Detail**’ screen. All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

Type of Rental Assistance: Required. For PH-RRH projects, tenant-based rental assistance (TRA) is the required default:

- TRA – tenant-based rental assistance where program participants select any appropriately sized unit within the CoC’s geographic area, although recipients or subrecipients may restrict the location under certain circumstances to ensure the availability of the appropriate supportive services. Except for survivors of survivors of domestic violence, dating violence, sexual assault, or stalking, program participants may not retain their rental assistance if they relocate to a unit outside the CoC’s geographic area.

Metropolitan or non-metropolitan Fair Market Rent area: Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Rental Assistance Budget Detail**’ screen for each FMR area.

The **Rental Assistance Annual Budget** table accounts for the size of units, number of units requested, FMR for each unit size multiplied by 12 months to account for annual rent that is summarized by row in the ‘**Total Request**’ column.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the [FMR tables](#); however, for clarification, the ‘**0-bedroom**’ unit listed in *e-snaps* is the ‘**efficiency**’ unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which funding is requested.

FY 2024 CoC Program New Project Detailed Instructions

Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- **FMR: No action required but it is important to understand that due to *e-snaps* limitations for the FY 2024 project applications, this table will show FY2023 FMR amounts.** The FMR amounts shown in *e-snaps* application tables for both a Leasing BLI and a Rental Assistance BLI are **FY 2023 FMRs** for the FMR areas you selected above. If your project application is selected for conditional award, updates based on the FMRs in effect as of the application submission deadline will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this *e-snaps* table at post award.

Note: All Rental Assistance BLI requests in New project applications must be for the full FY 2023 FMR, whereas a Leasing BLI can have requests for Actual FMR requests for ‘**HUD Paid Rent**’ that are less than the FY 2023 FMR amounts.

- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.
- **Total Units and Annual Assistance Requested:** No action required. This column calculates based on the sum of the total requests per unit size per year.
- **Grant Term:** No action required. This field populates based on the grant term selected on the ‘**6A. Funding Request**’ screen.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

PH-RRH Screen 6F. Supportive Services Budget

You have access to this budget if you check ‘**Supportive Services**’ on Screen 6A. The supportive services listed are based on the eligible supportive services in 24 CFR 578.53.

See 24 CFR 578.53(e)(17) for information regarding direct provision of services that apply to the individual budget items (e.g., if funds will be used to pay for a cell phone for the case manager, the monthly cost of the cell phone, will be included on the Case Management line, if funds will be used to pay for staff time to drive program participants to appointments, the staff pro-rated salary, benefits, etc., will be included in the Transportation line). For this reason, you must provide detailed information for quantity and description for each eligible cost requested.

The itemized budget screen includes 17 eligible Supportive Services costs:

- | | |

You have access to this budget if you check ‘**HMIS**’ on Screen 6A. The HMIS costs listed are based on the eligible HMIS costs described in 24 CFR 578.57 and must comply with HMIS requirements.

Since this project is not a dedicated HMIS request as you are not the HMIS Lead, you can request HMIS costs to contribute data to the CoC’s designated HMIS is outlined in 24 CFR 578.57(a)(1)(i)-(x). This includes projects operated by Victim Service Providers to contribute data to a comparable database..

The itemized budget screen includes 5 eligible HMIS costs:

PH-RRH Screen VAWA Cost Budget

The **Violence Against Women Act (VAWA) Reauthorization Act of 2022** clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in *e-snaps* and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS.

Note: the VAWA BLI is **not** limited to DV Bonus projects or other projects focused on survivors. It can be requested by any project regardless of population served in order to meet the emergency transfer and confidentiality requirements of VAWA for covered housing providers.

Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

- A. VAWA Emergency Transfer Facilitation.** Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor’s emergency transfer(s). Additional details of eligible costs include:
- **Moving Costs.** Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
 - **Travel Costs.** Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC’s geography.
 - **Security Deposits.** Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
 - **Utilities.** Grant funds can be used to pay for the costs of establishing utility assistance in the safe unit the survivor is transferring to.
 - **Housing Fees.** Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
 - **Case Management.** Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
 - **Housing Navigation.** Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
 - **Technology to make an available unit safe.** Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.
- B. VAWA Confidentiality Requirements.** Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:

- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

Enter the estimated amount(s) you are requesting for this project’s Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The total amount calculates when you select ‘**Save**’.

- **Eligible Costs:** No action required. The categories listed are eligible VAWA costs for which funds can be requested under 24 CFR 578.57.
- **Annual Assistance Requested:** Required. Enter the annual amount requested for eligible VAWA activities.
- **Total Annual Assistance Requested:** No action required. This field calculates based on the sum for each eligible cost where you entered information.
- **Grant Term:** No action required. This field populates based on the grant term selected on the ‘**6A. Funding Request**’ screen This field populates with ‘**1 Year**’ and is read-only.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

PH-RHH Rural Cost Budget

The CoC Program has added eligible rural cost budget categories to be added in a new CoC Rural Cost Budget Line Item (BLI). The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS. There are three CoC Program rural cost categories that can be requested for your new CoC Rural Cost BLI (for activities in eligible rural or tribal geocodes only). .

- **Short-term emergency lodging** to include housing in motels or shelters, either by providing direct funding or through vouchers.
- **Repairs to housing units** in where individuals and families experiencing homelessness will be housed, including housing units currently not fit for human habitation.
- **Staff Training** to include professional development, skill development, and staff retention activities.

Enter the amount(s) you are requesting for this project’s Short-term emergency lodging, Repairs to housing units, and Staff Training CoC Rural cost categories. The total amount calculates when you select ‘**Save**’.

- **CoC Rural BLI Total:** No action required. This field calculates based on the sum for each eligible cost where you entered information above.
- **Grant Term:** No action required. This field populates based on the grant term selected on the ‘6A. Funding Request’ screen.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

PH-RRH Screen 6I. Sources of Match

You must complete the ‘**Sources of Match**’ screen. See 24 CFR 578.73 for CoC Program match requirements. If you plan to use program income as a match, you must provide an estimate of how much program income will be used.

The **Summary for Match** fields on this screen will populate once all match information is entered and saved on the **Sources of Match Detail** screen.

1. **Will this project generate program income described in 24 CFR 578.97 to use as Match for this project?** Required. Select:

Yes, if your project plans to use program income as match, complete the next two questions.

No, if your project will not use program income as match.

- 1a. **Briefly describe the source of the program income.** Required if you selected ‘**Yes**’ to question 1. Provide the source of program income with a brief description.

- 1b. **Estimate the amount of program income that will be used as Match for this project.** Required if you selected ‘**Yes**’ to question 1. Enter estimated amount.

Sources of Match Detail Screen(s): Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

Example: If the ‘**Total Assistance Requested**’ for a PH-RRH project is \$100,000, then you must match funds no less than \$25,000.

The summary table on the primary ‘**Sources of Match**’ screen aggregates the multiple cash and in-kind commitments entered in the ‘**Sources of Match Detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

You must complete this screen for each type of match commitment you want to include with your project application. Once completed with this ‘**Sources of Match Detail**’ screen, return to the ‘**Sources of Match**’ screen where you will see the total commitment amounts for Cash, In-Kind, and All, as applicable.

1. **Type of Commitment:** Required. Select ‘**Cash**’ or ‘**In-Kind**’ (non-cash) to indicate the type of contribution that describes this match commitment. If applications include third-party in-kind match, you need to attach MOU(s) documentation that confirms the in-kind match commitment.

Cash, if you will use cash to satisfy the match requirement.

In-Kind, if you will use the value of any real property, equipment, or services contributed to this project that are eligible costs under the CoC Program.

2. Source: Required. Select:

Private, the match will be provided by a non-government entity.

Government, the match will be provided by a government entity (e.g., HUD-VASH (VA Supportive Housing program)) so long as the government funds do not prohibit their use as a match for another federal program.

3. Name of Source: Required. Enter the name of the organization providing the contribution. Be specific and include the office or grant program as applicable.

4. Amount of Written Commitment: Required. Enter the total dollar value of the contribution.

PH-RRH Screen 6J. Summary Budget

This screen summarizes the total funding request for the new project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the ‘**Admin**’ field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be required to return to the **Sources of Match** screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select ‘**Save**’.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field ‘**7. Sub-Total Costs Requested**’. If an ineligible Admin amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested**’. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin.** amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Total Match amount is less than 25 percent**’. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you must return to a ‘**Sources of Match Detail**’ screen to make the necessary adjustments to increase the match amount for this project application.

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

[RETURN to All Projects Part 2 through Part 8](#)

The following instructions apply to **Joint Transitional Housing (TH)** and **Permanent Housing (PH)–Rapid Re-Housing (RRH)** component projects in accordance with **Joint TH and PH-RRH** requirements in 24 CFR 578.37(a)(1)(ii) and (2). Before completing this part of the application, carefully review the specific requirements for **Joint TH and PH-RRH** component projects in the FY 2024 NOFO. New Joint TH and PH-RRH project applications can request funds through the Reallocation process, CoC Bonus, a combination of Reallocation and CoC Bonus, or DV Bonus.

Joint TH and PH-RRH Part 3: Project Information

Joint TH and PH-RRH Screen 3A. Project Detail

All questions on Screen 3A must be completed for submission of this application.

- 1. CoC Number and Name:** Required. Select the CoC Number and Name from the dropdown. **Selecting the correct CoC is critical.** The dropdown contains all CoCs that were registered in the FY 2024 CoC Program Registration process and are listed according to the CoC Number (e.g., NE-502) and CoC Name (e.g., Lincoln County CoC). Based on the selection made in this field, when ‘**Submit**’ is selected on Screen 8B, *e-snaps* will send this project application to the CoC selected.
Note: You should only use the ‘**No CoC**’ option in instances where a project is in a geographic area not claimed by any CoC or if the project applicant is submitting a Solo Appeal.
- 2. CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2024 CoC Program Registration process.
- 3. Project Name:** No action required. This field populates from the *e-snaps* ‘**Project**’ screens and is read-only. If the project name is incorrect, exit the project application screens and open the *e-snaps* ‘**Project**’ screens by selecting ‘**Projects**’ from the left menu to correct the information.
- 4. Project Status:** Required. This field defaults to the ‘**Standard**’ option and should only be changed to ‘**Appeal**’ if your organization will submit a ‘**Solo Appeal**’. If you select ‘**Appeal**’, Screen 8A ‘**Notice of Intent to Appeal**’ will appear on the left menu and you must complete additional information and include the attachment noted in the Solo Appeal process, see instructions for Screen 8A above.
- 5. Component Type:** Required. Select ‘**Joint TH and PH-RRH**’.
- 6. Is your organization, or subrecipient, a victim service provider defined in 24 CFR 578.3?** Required. Select:

Yes, if your organization, or subrecipient, is a victim service provider defined in 24 CFR 578.3.

24 CFR 578.3: Victim service provider means a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking. This term includes rape crisis centers, battered women's shelters, domestic violence transitional housing programs, and other programs.

No, if your organization, or subrecipient, is not a victim service provider.

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

7. Is this new project application requesting to transition from eligible renewal project(s) that was awarded to the same recipient and fully eliminated through reallocation in this CoC Program Competition? (*Attachment Requirement*) Required. For additional information refer to the NOFO for requirements to transition a renewal project from its existing component (e.g., TH) to another eligible new component (e.g., PH-PSH) through the CoC Program Competition. To facilitate this component change, you must work with the CoC and use the reallocation process to fully eliminate the eligible renewal project(s) to transition the project to the new component. Select:

Yes, if this new project application is requesting a transition grant.

If ‘Yes’ is selected, you will provide information regarding the expiring component in the next two questions. The remainder of this new project application will only capture information regarding how the project will operate under the new component. If this transition project is selected for conditional award, you will work with the local HUD CPD field office to determine how the old component will wind down while ramping up the new component.

No, if this new project application is not requesting a transition grant.

7a. List all expiring project(s) involved in the transition: Required. If ‘Yes’ to question 7, the expiring renewal project(s) must be fully eliminated using the reallocation process.

At least one eliminated project must be entered in the table. **Up to 4 may be entered.**

Full Grant Number	Operating Start Date	Expiration Date	Component Type
Enter the full grant number of the expiring renewal project (e.g., CA0001L5F012003)	Enter the date for ‘PoP Start’ from eLOCCS	Enter the date for ‘PoP End’ from eLOCCS	Select the expiring renewal component (e.g., TH)

IMPORTANT: For all expiring renewal projects listed in the table, attach a copy of the approved renewal project application(s) on Screen ‘**7A Attachments**’ (e.g., if the expiring project was funded in the FY 2023 CoC Program Competition, attach a copy of the FY 2023 project application).

7b. Provide a description that addresses the scope of the proposed transition during the first year of operation. Required. If ‘Yes’ is selected in question 7, provide a detailed description of how the project will transition from the renewal project to the new project. The description must include:

- how you will reduce activities in the old renewal component as it transitions to the new component, including the plan for ensuring existing program participants do not become homeless,
- estimated date the project will be fully operating as the newly awarded component within the one-year grant term.

For example, if you are eliminating a TH project to create a new PH-PSH project, you must describe how the project will strategically wind down the transitional housing project, include how current TH program participants will be assisted in obtaining permanent housing while you will also ramp up the PH-PSH project over the course of the one-year grant term. You must also provide assurances the new PH-PSH component will be fully operational at the end of the grant term. Finally, include the amount of funds from this transitional grant application that will be used to wind down the outgoing TH activities with the estimated date for completion.

8. Will funds requested in this new project application replace state or local government funds (24 CFR 578.87(a))? Required. Select the appropriate response. CoC Program funds cannot be awarded if used to replace state or local government funds.

Yes, if this project is expected to replace state or local funds and not comply with this criterion.

No, if this project will not replace state or local funds and will comply with this criterion.

9. Will this project include replacement reserves in the Operating budget? (Attachment Requirement) Required. For additional information see [Replacement Reserves FAQ #3678 on the HUD Exchange](#). Select:

Yes, if this project application includes an Operating budget (for the TH portion of the project) and your organization intends to use some or all the CoC Program operating funds towards replacement reserves. Attach supporting documentation on Screen 7A that includes:

- total amount of funds that will be placed in reserve during the grant term,
- system(s) to be replaced that includes the useful life of the system(s), and
- repayment schedule that includes the payment amount.

No, if your organization does not intend to include an Operating budget or if an Operating budget is included, does not intend to use operating funds for replacement reserves.

10. Is this project applying for Rural costs on screen 6A? Required. Select Yes or No from the dropdown menu if your project plans to request rural costs. (**Note:** rural costs may ONLY be used for rural areas and must be associated with a valid rural or tribal geo-code. A project that serves both rural and non-rural areas may request a rural BLI for the project, however, the rural BLI can only be used in the rural geographic area.) If yes, the following 3 tables will appear:

(Rural costs ONLY) Select the state(s), rural geo-code(s), and/or tribal geo-code(s), as needed for the rural geographic area(s) to be served by this project. Double click on your selection(s) or use the arrows between the tables to move “**Available Items**” to “**Selected Items**.” If you need to select multiple areas, hold down the “**Ctrl**” key to make multiple selections.

10a. Area(s) affected by the project (state(s) only):

10b. Area(s) affected by the project (rural geo-code(s) only):

10c. Area(s) affected by the project (tribal geo-code(s) only). Only make a selection if the project will serve a tribal area. If no tribal area will be served, leave this field blank. Do not make any selections.

Joint TH and PH-RRH Screen 3B. Description

All questions on Screen 3B are required and provide HUD with a detailed description of the project.

1. Provide a description that addresses the entire scope of the proposed project. Required. Provide a detailed description of the scope of the project including the target population(s) to be served, project plan for addressing the identified housing and supportive service needs, anticipated project outcome(s), coordination with other organizations (e.g., federal, state, nonprofit), and how the CoC Program funding will be used.

Important: Joint TH and PH-RRH projects **MUST** include both transitional housing and rapid re-housing services. Both housing types must be available to all participants, and projects may not require participation in transitional housing before accessing rapid rehousing. The project description must clearly describe how both housing types will be provided, even some of the housing will be provided with non-CoC funding.

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

The information in this description must align with the information entered in other screens of this application. Additionally, if your project implements any service participation requirements or requirements that go beyond what is typically included in a lease agreement, describe those requirements and how they will be implemented.

Finally, if you are not requesting CoC Program funds for both TH and PH-RRH units in this application, you must include the number of TH and PH-RRH units that will be utilized by your project from other funding source(s) and provide details of how TH and PH-RRH assistance will be provided for all program participants under this joint component.

Note: If TH units are requested in this application and PH-RRH units will be funded from other sources, the description must include information as to where the funds for the PH-RRH units will come from, and if provided by a separate organization, provide organizational information and source funding for these units, including the number of units supported.

- For each primary project location, or structure, enter the number of days from the execution of the grant agreement that each of the following milestones will occur.** Required. You must enter information in at least one field on the table. If your project includes multiple structures, you will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

Project Milestones	Days from Execution of Grant Agreement			
	A	B	C	D
Begin hiring staff or expending funds				
Begin program participant enrollment				
Program participants occupy leased or rental assistance units or structure(s), or supportive services begin				
Leased or rental assistance units or structure, and supportive services near 100% capacity				

- Check the appropriate boxes if this project will have a specific subpopulation focus. (Select ALL that apply)** Required. Check the appropriate boxes to indicate this project will focus on one or more specific subpopulations. The boxes checked should match the information provided in the project description. If this project does not have a specific subpopulation focus, select ‘N/A - Project Serves All Subpopulations’. If a subpopulation focus for your organization is not listed, check the box next to ‘Other’ and enter the subpopulation in the text box provided.

- **Veterans**
- **Youth (under age 25)**
- **Families**
- **Survivors:** Persons who have experienced trauma or a lack of safety due to domestic violence, dating violence, sexual assault, stalking, human trafficking or other dangerous, traumatic, or life-threatening conditions. (**Note:** this field includes all people in households eligible to be served with DV Bonus funds but may also include survivors who do not meet the narrower definition of DV Bonus eligibility. - 4. Will your project participate in the CoC’s Coordinated Entry (CE) Process or recipient organization is a victim service provider, as defined in 24 CFR 578.3 and uses an alternate CE process that meets HUD’s minimum requirements?** Required. Coordinated Entry is a process designed to coordinate program participant intake, assessment, and provision of referrals. A CE process must cover the entire CoC’s geographic area, is easily accessed by individuals and families seeking housing **or** services, is well advertised, and includes a comprehensive and standardized assessment tool and process. Participation in a CE process is a requirement for all applicants of CoC Program funds. Select:

Yes, if this project will participate in the CoC’s CE process or applicant organization is a victim service provider and uses an alternate CE process that meets HUD’s minimum requirements.

No, if this project will not meet these criteria.

- 5. Housing First.** Housing First is a model of housing assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as, sobriety or a minimum income threshold). See Section V.B.1.i) of the NOFO for additional information. A Housing First approach quickly connects individuals and families experiencing homelessness to permanent housing:

- no barriers to entry (e.g., sobriety, treatment, or service participation requirements),
- no preconditions (e.g., sobriety, income), and
- does not terminate program participants from the project for lack of participation (e.g., supportive service participation requirements or rules beyond normal tenancy rules).

Supportive services are voluntary and offered to maximize housing stability and prevent returns to homelessness. For further information refer to the: [Housing First in PSH Brief](#).

All Joint TH and PH-RRH projects are required to operate with a Housing First approach.

The questions in this section identify whether your project operates consistent with a Housing First approach.

- 5a. Will the project quickly move participants into permanent housing?** Required. If ‘No’ is selected, 5d will be ‘No’ for following a housing first approach. Select:

Yes, if your project will rapidly move program participants into permanent housing and will not require additional steps (e.g., a required stay in transitional housing or a certain number of days of sobriety).

If this is a DV Bonus, DV renewal, DV reallocation, or other project application focused on survivors, including survivors of domestic violence, sexual assault, stalking, dating violence, or human trafficking select ‘Yes’ if the project will rapidly move program participants into

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

permanent housing after the participant determines their immediate safety needs have been addressed (i.e., survivor(s) believes they are not in danger and want to move into their own permanent housing).

No, if the project requires additional steps prior to helping a program participant obtain permanent housing.

5b. Will the project enroll program participants who have the following barriers? Select all that apply. Required. Checking the box next to each item listed confirms your project will enroll a household if they present with the perceived barrier (e.g., if they will enroll a household that has no income at time of enrollment). Committing to not screening out participants for the first four boxes supports a housing first approach. If **‘None of the above’** is selected, 5d will be **‘No’** for housing first. If your project will not enroll a household that presents with any of the barriers listed below at the time of application (e.g., if you require a minimum income, require sobriety, and will not house people with a criminal record or a history of victimization), select **‘None of the above’**.

- **Having too little or little income,**
- **Active or history of substance use,**
- **Having a criminal record with exceptions for state-mandated restrictions,**
- **History of victimization (e.g., domestic violence, sexual assault, childhood abuse), and**
- **None of the above.**

5c. Will the project prevent program participant termination from the project for the following reasons? Select all that apply. Required. Committing to not screening out participants for the first four boxes supports a housing first approach. If **‘None of the above’** is selected, 5d will be **‘No’**.

- **Failure to participate in supportive services,**
- **Failure to make progress on a service plan,**
- **Loss of income or failure to improve income,**
- **Any other activity not covered in a lease agreement typically found for unassisted persons in the project’s geographic area, and**
- **None of the above.**

5d. Will the project follow a ‘Housing First’ approach? No action required. This question automatically populates based on the responses to questions 5a, 5b, and 5c.

Yes, is populated if you selected **‘Yes’** for question 5a **and** checked the first four boxes in questions 5b and 5c. This confirms the project will operate following a housing first approach.

No, is populated if you selected **‘No’** to question 5a **or** did not check all boxes **or** checked **‘None of the above’** for questions 5b or 5c. This confirms the project will not operate following a housing first approach.

Any project application with **‘Yes’** for question 3d commits to and must operate following Housing First during its FY 2024 grant term.

6. Will program participants be required to live in a specific structure, unit, or locality, at any time while in the program? Required. Select:

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Yes, if any portion of the project will be site-based or require program participants to live in a specific locality, city, or specific area.

No, program participants will not be required to live in a specific locality, city, or area.

Note: For the RRH tenant-based rental assistance (TRA) portion of the project, you may require program participants to live in a specific area or structure **only** for the first year of participation when it is necessary for coordination of supportive services.

6a. Explain how and why the project will implement this requirement. Required if you answered ‘Yes’ to question 6. Describe the reason for this program design. Explain why implementing this requirement is necessary for providing supportive services. For example, if your organization owns a building where program participants will reside, or you will require program participants meet with a case manager at least monthly in their first year of assistance and the case managers offices are located in the specific area.

7. Will more than 16 persons live in a single structure? Required. Select:

Yes, indicates more than 16 persons will reside in a single structure.

No, if this will not occur.

7a. Describe the local market conditions that necessitate a project of this size. Required if you answered ‘Yes’ to question 7. In the text box provided, explain the local market conditions that require placing more than 16 persons in a single structure.

7b. Describe how the project will be integrated into the neighborhood. Required if you answered ‘Yes’ to question 7. In the text box provided, explain how your organization will successfully integrate program participants into the neighborhood.

Joint TH and PH-RRH Screen 3C. Project Expansion Information

You can apply for a new project that will expand an existing eligible CoC Program renewal project (see Section III.B.4.a.(6) of the NOFO), so long as it is the same component and type (e.g., both the new and renewal project applications are Joint TH and PH-RRH). To apply for a new project that will expand an existing eligible CoC Program renewal project you will create and submit **two** project applications: a ‘**Stand-alone New**’ and a ‘**Stand-alone Renewal**. HUD will combine these two applications into one project in the post-award process. Please ensure that budgets and proposed numbers of units, people to be served, etc. are not duplicated between the Stand-alone New and Stand-alone Renewal applications, in order to ensure the accuracy of the final project.

Note: the same renewal project may NOT be part of both a consolidation and an expansion in the 2024 CoC Competition. -If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation.

For instructions to complete a ‘**Stand-alone Renewal**’ project application, review the ‘**Renewal Expansion Process and Questions**’ instructions on pages 17-19 of the **CoC Renewal Project Application Detailed Instructions**.

You must complete the first question on Screen 3C that will notify HUD you are submitting a new expansion project that is tied to an eligible renewal project.

1. Is this a ‘Project Expansion’ of an eligible renewal project? Required. Select:

Yes, this is a new project application that will expand an existing eligible renewal project application and is the same component and type as the renewal.

No, this new project application is not part of an expansion request. Click ‘Save’ or ‘Save & Next’ to move to the next screen.

If you answered ‘Yes’ to question 1, you must complete the remainder of this screen. The next two questions are used to match this new expansion project application with the renewal project application you are submitting.

1a. Eligible Renewal Grant PIN. Enter the PIN exactly as it was entered in the renewal project application (see screen 1A. SF-424 Application Type, question 5a or 5b of your renewal project application). Additionally, to ensure you enter the correct PIN on both applications, refer to the current grant agreement or grant agreement amendment for the renewal project this new project will expand.

1b. Eligible Renewal Grant Project Name. Enter the Project Name exactly as it was entered in the renewal project application (see screen PH-PSH Screen 3A. Project Detail, question 4 of your renewal project application).

The following questions inform HUD how this new project will expand the eligible renewal project application. You must respond to each question and at least one question in #2, #3 or #4 must be answered ‘Yes’.

2. Will this expansion project increase the number of program participants? Required. Select:

No, if this project will not increase the number of program participants.

2a. Currently Approved Renewal Numbers (from ‘Stand-alone Renewal’ project application).

The numbers for this section must be the point-in-time numbers according to the current grant agreement or grant agreement as amended for the renewal project. Use the numbers entered in the renewal project application from the screens identified below.

- Number of persons (From renewal application Screen 5A)
- Number of units (From renewal application Screen 4B)
- Number of beds (From renewal application Screen 4B)

2b. New effort: New Requested Numbers to Add (from this ‘Stand-alone New’ project application). Enter the proposed point-in-time numbers that will be added to the renewal project. The numbers entered must match the numbers entered in the identified screens of this new project application.

3a. Indicate how the project will provide additional supportive services to program participants. Required if ‘Yes’ to question 3. Check one or both boxes to indicate the expanded supportive services.

- **Increase the number of or expand supportive services provided.**
- **Increase frequency or intensity of supportive services.**

Provide a description of the current health or safety standards for which funds are requested and how CoC Program funds will be used to address the issue(s), including the timeframe expected to have the health or safety standards updated.

Joint TH and PH-RRH Part 4: Housing and Services

Joint TH and PH-RRH Screen 4A. Supportive Services for Program Participants

All questions on screen 4A must be completed.

1. Describe how program participants will be assisted to obtain and remain in permanent housing: Required. An acceptable response will acknowledge the needs of the target population and include a plan that addresses the types of assistance that will be provided by the project applicant, or other partners, to ensure program participants served by this project will move into appropriate permanent housing as well as either remain in or move to other permanent housing once assistance is no longer needed. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- how you will determine the right type of housing that fits the needs of program participants (this should match the information entered on screen **4B. Housing Type**),
- if you will use rental assistance (PH-RRH portion) or leasing assistance (TH portion), how you will work with landlords to address possible issues and challenges,
- the type of assistance and support you will provide to program participants to overcome challenges to permanent housing (e.g., case management, housing counseling, employment resources), and
- how you will work with program participants to set goals towards successful retention of permanent housing.

Finally, if this project will exclusively assist survivors of domestic violence, dating violence, sexual assault, or stalking, the description must include safety planning addressing the needs of this particular homeless population towards meeting the goal of obtaining and maintaining permanent housing.

New projects applying for DV Bonus funds must also include in the description how eligible program participants (paragraph 4 of the homeless definition in 24 CFR 578.3) will be assisted to

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

obtain and remain in permanent housing that addresses their particular needs and includes trauma-informed, victim-centered approaches.

- *Trauma-informed:* Approaches delivered with an understanding of the vulnerabilities and experiences of trauma in survivors, including the prevalence and physical, social, and emotional impact of trauma. A trauma-informed approach recognizes signs of trauma in staff, clients, and others and responds by integrating knowledge about trauma into policies, procedures, practices, and settings. Trauma-informed approaches place priority on reassuring the survivor's feelings of safety, choice, and control.
- *Victim-centered:* Placing priorities, needs, and interests at the center of the work with the victim, providing nonjudgmental assistance, with an emphasis on client self-determination, where appropriate, and assisting victims in making informed choices, ensuring that restoring victims' feelings of safety and security are a priority and safeguarding against policies and practices that may inadvertently re-traumatize victims, ensuring that victims' rights, voices, and perspectives are incorporated when developing and implementing system- and community-based efforts that impact crime victims.

2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible: Required. Describe how this project will help program participants obtain the benefits for which they are eligible. Additionally, if you coordinate with other partners, include their role in meeting this criterion. The description should include:

- assisting program participants with obtaining and increasing employment income that will lead to successful exits from homelessness (e.g., local employment programs, job training opportunities, educational opportunities),
- the type of mainstream services you will assist program participants with obtaining to increase non-employment income (e.g., SSI, SSDI, Food Stamps, Veterans benefits),
- the type of social services you will provide access and help program participants obtain (e.g., childcare, food assistance, TANF, early childhood education), and
- access to healthcare benefits and resources (e.g., Medicaid, Medicare, healthcare for the homeless, FQHCs).

3. For all supportive services available to program participants, indicate who will provide them and how often they will be provided. Required. From the list of supportive services provided, select the service(s) provided by your project to program participants from, your organization (Applicant), subrecipient(s), partner organization(s), or non-partner organization(s) (e.g., Workforce Board). You should select all services that will be provided to program participants to assist them in exiting homelessness, not just the costs for which you are requesting from HUD in this project application.

If more than one **'Provider'** or **'Frequency'** is relevant for a single service, select the provider and frequency that is used most. If more than one provider offers the service equally as often, choose the provider according to the following order: (1) Applicant, (2) Subrecipient, (3) Partner, and (4) Non-Partner.

Provider: For the supportive services listed, select one of the following as applicable:

- **'Applicant'** indicates your organization will provide the supportive service,
- **'Subrecipient'** indicates the subrecipient(s) listed on Screen 2A. Project Subrecipients will provide the service,

- **‘Partner’** indicates an organization other than a subrecipient of CoC Program funds, but with whom a formal agreement or (MOU) was signed to provide the service, or
- **‘Non-Partner’** indicates a specific organization with whom no formal agreement was established regularly provides the service to program participants.

Frequency: Required. For each supportive service selected, use the dropdown to indicate how often the service is provided to program participants. If two frequencies are equally common, select the interval that is most frequent, (e.g., both weekly and monthly are equally common—select weekly).

Identify whether the project includes the following activities:

- 4. Transportation assistance to program participants to attend mainstream benefit appointments, employment training, or jobs?** Required. Select:

Yes, if the project provides regular, or as needed transportation assistance to mainstream and community resources, including appointments, employment training, educational programs, and jobs. Transportation assistance may include bus passes, rail/subway cards, vehicle owned by the organization, etc.

No, if transportation is not regularly provided or cannot be provided consistently as requested.

- 5. Annual follow-up with program participants to ensure mainstream benefits are received and renewed?** Required. Select:

Yes, if the project follows-up with program participants annually to ensure they applied for mainstream benefits (e.g., TANF, food stamps, SSI) for which they are eligible, receiving the benefits, and renew benefits as required.

No, if the project does not follow-up with program participants annually.

- 6. Will program participants have access to SSI/SSDI technical assistance provided by the project applicant, subrecipient, or partner agency?** Required. Select:

Yes, if program participants have access to SSI/SSDI technical assistance. Assistance can be provided by the project applicant, a subrecipient, or a partner agency—through a formal or informal relationship.

No, if there is no or significantly limited access to SSI/SSDI technical assistance.

- 6a. Has the staff person providing the technical assistance completed SOAR training in the past 24 months?** Required if ‘Yes’ is selected for question 6. Select:

Yes, if the staff person who provides SSI/SSDI technical assistance completed SOAR training, online or in person, in the past 24 months. If more than one person provides technical assistance, only select ‘Yes’ if all persons have completed the training.

No, if the staff person(s) has not completed SOAR training.

Joint TH and PH-RRH Screen 4B. Housing Type and Location

This screen captures the numbers of units and beds for both the TH and PH-RRH portions of this project application.

You must enter information for both the TH and PH-RRH portions on the ‘Housing Type and Location and Detail’ screen of this project, even if one of the housing types will be funded through other source(s) rather than through the CoC Program. You will have a minimum of two entries, one for TH and one for PH-RRH.

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Additionally, you must ensure your project has sufficient units and beds for both housing types to allow program participants the choice of housing they prefer as you cannot direct a program participant to one type of housing over the other. **To ensure capacity to meet this requirement, the CoC Program requires that Joint TH and PH-RRH applications propose at least twice as many PH-RRH units & beds as TH units & beds.** (For example, an application proposing 4 TH units and 8 TH beds must include at least 8 RRH units and 16 RRH beds.) The total numbers reported must reflect the total units and total beds at full capacity on a single night for both the TH and PH-RRH portions of the project. This includes units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds.

Note: When determining the correct input for Units and Beds, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period).—This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds should not be higher than the number of households (units), and persons (beds) entered on Screen 5A and Screen 5B.

The primary 4B screen provides a summary of the units and beds included in the project according to the following categories for which all cells must have a number greater than ‘0’:

	TH	RRH	Total
Total Units:			
Total Beds:			

- **Total Units**, all **units** in the project, regardless of size.
- **Total Beds**, all **“beds” (or spaces for participants)** in the project, regardless of unit configuration.

The summary table on the primary 4B screen aggregates the individual ‘**Housing Type and Location detail**’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘**Save & Back to List**’ to save the information and return to the primary screen. Select ‘**Save & Add Another**’ to add another detail screen. To view and edit, select view . To delete, select .

At a minimum you will complete two separate ‘**Housing Type and Location Detail**’ screens, one for the TH portion of the project and one for the PH-RRH portion of the project.

1. Is this housing type for the TH portion or RRH portion of the project? Required. Select:

- **TH**, indicates you are completing the information on this screen for the TH portion of the project, or
- **RRH**, indicates you are completing the information on this screen for the PH-RRH portion of the project.

1a. Does this TH portion of the project have private rooms per household? Select:

Yes, if the units in the TH portion of the project have private rooms per household.

No, if households do not have private rooms and must share sleeping spaces with other households.

2. Housing type: Required. Report the type of housing structures where program participants are housed. Each housing type must be listed individually. If more than one housing type for each housing portion of this project is used you must complete a ‘**Housing Type and Location Detail**’ for each (e.g., if the TH portion will use both Scattered-site and Clustered apartments, you will complete this screen twice for the TH portion in addition to the RRH portion).

 - Mixed Funding, or
 - Other.

If multiple funding sources are used for this housing type and location (e.g., CoC and HUD-VASH), select ‘**Mixed Funding**’. If you selected ‘**Mixed Funding**’ or ‘**Other**’, enter detailed information in the textbox that appears with this selection’.

4. **Indicate the maximum number of Units and Beds available for program participants at the selected housing site:** Required. For this type of housing, enter the total number of units and beds.

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Note: A zero bedroom or efficiency must be indicated as 1 unit, 1 bedroom, and 1 bed. In addition, the number of units and beds listed on Screen 4B must be equal to or greater than the total number of units requested in the budget, Part 6 in this guide, and the number of beds **should correlate** to the number and characteristics of persons that the project is expected to serve as recorded on Screens 5A and 5B.

- 5. Address:** Required. Enter the address for all properties for which funding is requested. If the location is not yet known, enter the expected location of the housing units. For scattered-site and single-family housing, or for projects that have units at multiple locations, you should enter the address where the majority of units and beds will be located. If the project uses tenant-based rental assistance, or if the address for scattered-site or single-family homes housing cannot be identified at the time of application, enter the address for your administration office.

Important Note: Projects serving survivors, including victims of domestic violence, dating violence, sexual assault, stalking, and human trafficking, may use a PO Box, organizational address, or other anonymous address as necessary to ensure the safety of participants.

- 6. Select the geographic area associated with this address:** Required. Select the geographic area(s) associated with the address entered for this project. The geographic areas listed are limited by the state(s) selected on Screen 1D of the application. If you need to select multiple areas due to units located in more than one city or county, hold down the ‘Ctrl’ key to make multiple selections.

If you entered information for the TH units and beds first, repeat the steps above to enter information for the PH-RRH units and beds or vice versa.

Joint TH and PH-RRH Part 5: Program Participants

Joint TH and PH-RRH Screen 5A. Program Participants - Households

The information on this screen captures program participant information that includes the number of households the project serves, the characteristics of those households, and the number of persons for each household type, as applicable.

Note: When determining the correct input for Units and Beds, please note that these reflect the full capacity of the program on a single night (not the total throughout the course of the project period). This should include capacity directly supported by CoC Program funds or eligible match funds in any way, including units supported only by CoC Program supportive services funds without CoC Program leasing, operating, or rental assistance funds. The reported number of units and beds on Screen 4B should not be higher than the number of households (units), and persons (beds) entered here.

Joint TH and PH-RRH Screen 5B. Program Participants - Subpopulations

The following table appears on this screen to capture the subpopulation information for the households entered on Screen 5A and are based on a single point in time. Referring to Screen 5A, for each household where numbers were entered, enter those numbers in the appropriate column for that section. You will only enter numbers in the categories where you entered numbers on Screen 5A and the numbers in this table must match the numbers from the table on Screen 5A.

If the numbers for all three sections of this table do not match and correlate to Screen 5A, you will receive an error message to correct the information entered on this screen.

To complete the columns correctly, the following rules apply for all three household types:

- The numbers entered for the following columns **cannot be duplicated** within these three subpopulations:
 - **CH (Not Veterans)**—number of chronically homeless non-veterans which must match the number of beds entered for question ‘**2b. Beds**’ on Screen 4B. Do not include chronically homeless veterans, or
 - **CH Veterans** –number of chronically homeless veterans, regardless of discharge reason, or
 - **Veterans (Not CH)**– number of veterans who do not meet the chronically homeless definition.
- The numbers entered for the following columns **can be duplicated** (i.e., participants may be counted under more than one of the following categories) and should reflect the estimated subpopulations program participants fall under:
 - **Substance Use Disorders,**
 - **HIV/AIDS,**
 - **Mental Illness,**

Joint TH and PH-RRH Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

NOTE: Your application should reflect 1-year Term and 1-year of funding. Though the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two one-year budget periods. Your application in e-snaps must reflect only one year of funding.

Joint TH and PH-RRH Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

1. Will it be feasible for the project to be under grant agreement by September 15, 2026? Select:

Yes, to indicate the project intends to have a signed grant agreement by September 15, 2026. All funds conditionally awarded in the FY 2024 CoC Program Competition must be obligated via grant agreement no later than September 15, 2026.

No, the project does not intend to have a signed grant agreement by September 15, 2026. By selecting this response, you will not be able to submit this project application in *e-snaps*.

2. What type of CoC funding is this project applying for in this CoC Competition? From the dropdown, select the type of CoC Program funding that is being requested. New **Joint TH and PH-RRH** project applications can request funds through:

- **Reallocation**, funds that have been reallocated from an eligible renewal project,
- **CoC Bonus**, funds available through the CoC Bonus,
- **Reallocation + CoC Bonus**, a combination of funds available from an eligible renewal project that was reallocated and funds from the available CoC Bonus amount, and
- **DV Bonus**, funds available to serve 100 percent survivors of domestic violence, dating violence, sexual assault, and/or stalking.
- **DV Reallocation**, funds that have been reallocated from an eligible DV Bonus project. Project must serve 100 percent survivors of domestic violence, dating violence, sexual assault, and/or stalking.

Note: DV Bonus funds and DV Reallocation funds are eligible for new **JOINT TH & PH-RRH** projects.

2a. Will the project serve exclusively households who are eligible to be served with DV Bonus funding (survivors of domestic violence, dating violence, sexual assault, and/or stalking)? (Projects that are focused on other populations, including survivors of human trafficking should select “No” unless the project will be limited specifically to survivors of domestic violence, dating violence, sexual assault, and/or stalking.)

Yes, will exclusively serve DV Bonus eligible population.

No, will not exclusively serve DV Bonus eligible population.

3. Does this project propose to allocate funds according to an indirect cost rate? Required. See Section III.B.4.b.(4) of the NOFO for additional information and select:

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Yes, if your project will use an indirect cost rate either approved by a cognizant agency or will use the 10 percent de minimis rate.

No, your project will not use an indirect cost rate.

3a. Complete the indirect cost rate table below: Required if you answered ‘Yes’ to question 1. Complete using information from your approved indirect cost agreement or enter 10 percent to use de minimis rate:

- **Cognizant Agency** – if you have an approved indirect cost agreement, enter the name of the Cognizant Agency with whom you have the agreement (e.g., HUD, HHS), or if using the 10 percent de minimis enter ‘NA’.
- **Indirect Cost Rate** – enter one of the following if you:
 - have an approved indirect cost agreement, enter the rate percentage (e.g., 18 %) or
 - will use the 10 percent de minimis rate, enter 10 %.
- **Direct Cost Base** – enter the amount of your direct cost base for this application.
- **Select from the dropdown menu either ‘Plan Approved by cognizant agency’ or ‘Will use 10 % de minimis rate’.**

4. Select a grant term: Required. **Note: Most projects should choose 1-year Term in this field. -While the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two 1-year budget periods. Your application in e-snaps must reflect only 1-year of funding.** Your new project application may request 1-year, 2-years, 3-years, 4-years, 5-years, or 15-years; however, some exceptions apply (see Section III.B.4.d.(4) of the NOFO for the complete list).

5. Select the costs for which funding is requested: Required. Check the boxes for the BLI(s) for which your project requests funds (see 24 CFR 578, Subpart D, Program Components and Eligible Costs and 24 CFR 578.87(c)–Restriction on Combining Funds to ensure eligible use of funds). While the Joint TH and PH-RRH component project combines two CoC Program components (TH and PH-RRH) into one joint component, you must ensure your project uses these funds in accordance with the Rule for each component.

The following budgets can only be used for the TH portion of the project:

- **Leased Units** (24 CFR 578.49),
- **Leased Structures** (24 CFR 578.49), and
- **Operating Costs** (24 CFR 578.55).

The following budget can only be used for the RRH portion of the project:

- **Rental Assistance** (24 CFR 578.51):
 - PH-RRH can only select TRA (tenant-based rental assistance).

The following budgets can be used in both portions of the project:

6. If conditionally awarded, is this project requesting an initial grant term greater than 12 months? (13 to 18 months). Required only if you requested a 1-year grant term in question 4. For additional information see Section III.B.4.d.(4) of the NOFO. Select:

Yes, if you are requesting up to 6 additional months to operate this project.

No, if you expect to operate this project with a 12-month grant term.

6a. Select the number of months requested for the initial grant term. (Dropdown of 13 to 18 months). Required if ‘Yes’ was selected to question 6. Using the dropdown, select the total number of months you are requesting for the initial grant term.

Joint TH and PH-RRH Screen 6C. Leased Units Budget

Note: Joint projects can only request these costs if related to the TH portion of the project; these costs are ineligible for the PH-RRH portion.

You have access to this budget if you check ‘**Leased Units**’ on Screen 6A. The primary screen will aggregate the total assistance requested and total units requested for each FMR area listed on a ‘**Leased Units Budget Detail**’ screen. To add another ‘**Leased Units Budget Detail**’ screen, select add . All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ to save the information and return to the primary screen or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

Metropolitan or non-metropolitan Fair Market Rent area: Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Leased Units Budget Detail**’ screen for each FMR area.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the [FMR tables](#); however, for clarification, the ‘**0-bedroom**’ unit listed in *e-snaps* is the ‘**efficiency**’ unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which you are requesting funds.
- **FMR: No action required but it is important to understand that due to e-snaps limitations for the FY 2024 project applications, this table will show FY2023 FMR amounts.** The FMR amounts shown in *e-snaps* application tables for both a Leasing BLI and a Rental Assistance BLI are **FY 2023 FMRs** for the FMR areas you selected above. If your project application is selected for conditional award, updates based on the FMRs in effect as of the application submission deadline will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this *e-snaps* table at post award.
- **HUD Paid Rent (Actual amount requested can be less than FMRs):** Enter the amount you are requesting for each unit and bedroom. The amount entered cannot exceed the FMR amount under

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

‘FMR Area’, which for this year are the [FY 2023 FMRs](#). For a new project’s Leasing BLI table can request full FY 2023 FMRs or by using ‘**Actual**’ less than FMR amounts by entering these amounts into the ‘**HUD Paid Rent**’ column. When you choose to enter amounts less than FMR, the expectation of serving the same level of service is expected even when you decrease this BLI total amount by following the “10 percent or less shift rule” to move ‘excess’ funds into other BLIs, including into the new VAWA and Rural BLIs.

- **Note:** After the first term of a project, upon its first renewal, the *e-snaps* tables for Leasing BLI and Rental Assistance BLI become your calculated financial base and not the primary base counts of units and beds. For a renewal project application, the unit and bedroom counts in Leasing BLIs and Rental Assistance BLI should remain the same. When you choose to enter amounts less than FMR, the expectation of providing the same level of service to the same number of units and participants is expected even when you decrease this BLI total amount by following the “10 percent or less shift rule” to move ‘excess’ funds into other BLIs, including into the new VAWA and Rural BLIs.
- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.
- **Total Units and Annual Assistance Requested:** No action required. This column calculates based on the sum of the total requests per unit size per year.
- **Grant Term:** No action required. This field populates with ‘1-Year’ and is read-only.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

Joint TH and PH-RRH Screen 6D. Leased Structures Budget

You have access to this budget if you check ‘**Leased Structures**’ on Screen 6A and can only be used for the TH portion of the Joint project. The primary screen will aggregate the total assistance leased structures requested on ‘**Leased Structures Budget Detail**’ screen(s). To add leased structures, select add  to access the detail budget screens. The primary 6D screen will populate and update automatically when new detail screens are added to the list. To view and edit select view . To delete, select .

On the ‘**Leased Structures Budget Detail**’ enter the **Structure Name** by which you will identify the leased structure (e.g., name of the property, the street name where it is located), **Street Address, City, State, and Zip Code**. Lastly, enter the monthly amount of HUD paid rent you are requesting for each structure. The amount of leased funds will be calculated by 12 months to populate the **Total Annual Assistance Requested** which is then multiplied by the grant term selected to populate the **Total Request for Grant Term**.

Joint TH and PH-RRH Screen 6E. Rental Assistance Budget

Note: Joint projects can only request these costs if related to the PH-RRH portion of the project. Also please be aware that the only eligible type of rental assistance is TRA.

You have access to this budget if you check ‘**Rental Assistance**’ on Screen 6A. The primary screen will aggregate the totals for each FMR area **or** rental assistance type listed on ‘**Rental Assistance Detail**’ screens. Select add  to access a new ‘**Rental Assistance Detail**’ screen. All grey fields will calculate after you complete and save this screen. Select ‘**Save & Back to List**’ or select ‘**Save & Add Another**’. To view and edit, select view . To delete, select .

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

Type of Rental Assistance: Required. Select the type of rental assistance from the dropdown:

- PRA – project-based rental assistance where program participants must reside in housing provided through a contract with the owner of an existing structure whereby the owner agrees to lease subsidized units to program participants. Program participants may not retain their rental assistance if they relocate to a unit outside the project. (TH portion of the project).
- SRA – sponsor-based rental assistance where program participants must reside in housing owned or leased by a sponsor organization and arranged through a contract between the recipient and the sponsor organization. (TH portion of the project).
- TRA – tenant-based rental assistance where program participants select any appropriately sized unit within the CoC’s geographic area, although recipients or subrecipients may restrict the location under certain circumstances to ensure the availability of the appropriate supportive services.

If you have more than one rental assistance type for the project, you must create a separate detail budget screen for each rental assistance type, even if they are in the same FMR area. For example, if the project consists of 10 PRA units and 10 TRA units in County A, you must submit two ‘**Rental Assistance Budget Detail**’ screens for County A—one for the 10 PRA units and one for the 10 TRA units.

Metropolitan or non-metropolitan Fair Market Rent area: Required. Select FMR area(s) from the dropdown menu for the location(s) you are requesting funds. The list is sorted by state abbreviation, and most areas calculated by county or metropolitan area. The selected FMR area is used to populate the per unit rent amount in the FMR Area column on this screen. If your project provides units in more than one FMR area, you must create a separate ‘**Rental Assistance Budget Detail**’ screen for each FMR area.

The **Rental Assistance Annual Budget** table accounts for the size of units, number of units requested, FMR for each unit size multiplied by 12 months to account for annual rent that is summarized by row in the ‘**Total Request**’ column.

- **Size of units:** No action required. These options are system generated. The size of units are in line with the [FMR tables](#); however, for clarification, the ‘**0-bedroom**’ unit listed in *e-snaps* is the ‘**efficiency**’ unit size on the FMR table and the FMR table does not include SRO units for which the per unit rent is calculated at 75 percent of the efficiency rate.
- **Number of units:** Required. For each unit size, enter the number of units for which funding is requested.
- **FMR: No action required but it is important to understand that due to *e-snaps* limitations for the FY 2024 project applications, this table will show FY2023 FMR amounts.** The FMR amounts shown in *e-snaps* application tables for both a Leasing BLI and a Rental Assistance BLI are **FY 2023 FMRs** for the FMR areas you selected above. If your project application is selected for conditional award, updates based on the FMRs in effect as of the application submission deadline will be applied to these calculations based on your eligible BLI total. The adjusted amount will be shown in your new award total with exact amounts seen in this *e-snaps* table at post award.

Note: All Rental Assistance BLI requests in New project applications must be for the full FY 2023 FMR, whereas a Leasing BLI can have requests for Actual FMR requests for ‘**HUD Paid Rent**’ that are less than the FY 2023 FMR amounts.

- **12 Months:** No action required. These fields are populated with the value 12 to calculate the annual rent request.
- **Total Request:** No action required. This column populates with the total calculated amount from each row.

1. **Will this project generate program income described in 24 CFR 578.97 to use as Match for this project?** Required. Select:

Yes, if your project plans to use program income as match, complete the next two questions.

No, if your project will not use program income as match.

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

- 1a. Briefly describe the source of the program income.** Required if you selected ‘Yes’ to question 1. Provide the source of program income with a brief description.
- 1b. Estimate the amount of program income that will be used as Match for this project.** Required if you selected ‘Yes’ to question 1. Enter estimated amount.

Sources of Match Detail Screen(s): Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

Example: If the ‘Total Assistance Requested’ for a Joint TH and PH-RRH project is \$100,000 without leasing costs, then you must match funds of no less than \$25,000.

The summary table on the primary ‘Sources of Match’ screen aggregates the multiple cash and in-kind commitments entered in the ‘Sources of Match Detail’ screens. To add a detail screen, select add  and complete the mandatory fields. Select ‘Save & Back to List’ to save the information and return to the primary screen. Select ‘Save & Add Another’ to add another detail screen. To view and edit, select view . To delete, select .

You must complete this screen for each type of match commitment you want to include with your project application. Once completed with this ‘Sources of Match Detail’ screen, return to the ‘Sources of Match’ screen where you will see the total commitment amounts for Cash, In-Kind, and All, as applicable.

- 1. Type of Commitment:** Required. Select ‘Cash’ or ‘In-Kind’ (non-cash) to indicate the type of contribution that describes this match commitment. If applications include third-party in-kind match, you need to attach MOU(s) documentation that confirms the in-kind match commitment.

- 2. Source:** Required. Select:

Private, the match will be provided by a non-government entity.

Government, the match will be provided by a government entity (e.g., HUD-VASH (VA Supportive Housing program)) so long as the government funds do not prohibit their use as a match for another federal program.

- 3. Name of Source:** Required. Enter the name of the organization providing the contribution. Be specific and include the office or grant program as applicable.
- 4. Amount of Written Commitment:** Required. Enter the total dollar value of the contribution.

Joint TH and PH-RRH Screen 6J. Summary Budget

This screen summarizes the total funding request for the new project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the ‘Admin’ field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be

FY 2024 CoC Program New Project Detailed Instructions

Joint Transitional Housing (TH) and Permanent Housing (PH) – Rapid Re-Housing (RRH) New Project Applications

required to return to the **Sources of Match** screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select **‘Save’**.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field **‘7. Sub-Total Costs Requested’**. If an ineligible Admin amount is entered, *e-snaps* will report an error when the screen is saved, **‘The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested’**. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin.** amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, **‘The Total Match amount is less than 25 percent’**. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you must return to a **‘Sources of Match Detail’** screen to make the necessary adjustments to increase the match amount for this project application.

The following instructions apply to Supportive Services Only (SSO)–Coordinated Entry (CE) projects in accordance with SSO requirements in 24 CFR 578.37(a)(3). Before completing this part of the application, carefully review the specific requirements for **SSO-CE** projects in the 2024 NOFO. New SSO-CE project applications can request funds through the Reallocation process, CoC Bonus, a combination of Reallocation and CoC Bonus, or DV Bonus.

Note: SSO-CE is the only type of eligible new SSO project in the FY 2024 CoC Program Competition. No other types of new SSO projects are eligible for funding. DV Bonus funds cannot be combined with any other type of new funding available.

SSO-CE Part 3: Project Information

SSO-CE Screen 3A. Project Detail

All questions on Screen 3A must be completed for submission of this application.

- 1. CoC Number and Name:** Required. Select the CoC Number and Name from the dropdown. **Selecting the correct CoC is critical.** The dropdown contains all CoCs that were registered in the FY 2024 CoC Program Registration process and are listed according to the CoC Number (e.g., NE-502) and CoC Name (e.g., Lincoln County CoC). Based on the selection made in this field, when ‘Submit’ is selected on Screen 8B, *e-snaps* will send this project application to the CoC selected.
Note: You should only use the ‘No CoC’ option in instances where a project is in a geographic area not claimed by any CoC or if the project applicant is submitting a Solo Appeal.
- 2. CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2024 CoC Program Registration process.
- 3. Project Name:** No action required. This field populates from the *e-snaps* ‘Project’ screens and is read-only. If the project name is incorrect, exit the project application screens and open the *e-snaps* ‘Project’ screens by selecting ‘Projects’ from the left menu to correct the information.
- 4. Project Status:** Required. This field defaults to the ‘Standard’ option and should only be changed to ‘Appeal’ if your organization will submit a ‘Solo Appeal’. If you select ‘Appeal’, Screen 8A ‘Notice of Intent to Appeal’ will appear on the left menu and you must complete additional information and include the attachment noted in the Solo Appeal process, see instructions for Screen 8A above.

FY 2024 CoC Program New Project Detailed Instructions

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

6. Is your organization, or subrecipient, a victim service provider defined in 24 CFR 578.3? Required. Select:

Yes, if your organization, or subrecipient, is a victim service provider defined in 24 CFR 578.3.

24 CFR 578.3: Victim service provider means a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking. This term includes rape crisis centers, battered women's shelters, domestic violence transitional housing programs, and other programs.

No, if your organization, or subrecipient, is not a victim service provider.

7. Is this new project application requesting to transition from eligible renewal project(s) that was awarded to the same recipient and fully eliminated through reallocation in this CoC Program Competition? (Attachment Requirement) Required. For additional information refer to the NOFO for requirements to transition a renewal project from its existing component (e.g., TH) to another eligible new component (e.g., PH-PSH) through the CoC Program Competition. To facilitate this component change, you must work with the CoC and use the reallocation process to fully eliminate the eligible renewal project(s) to transition the project to the new component. Select:

Yes, if this new project application is requesting a transition grant.

If ‘Yes’ is selected, you will provide information regarding the expiring component in the next two questions. The remainder of this new project application will only capture information regarding how the project will operate under the new component. If this transition project is selected for conditional award, you will work with the local HUD CPD field office to determine how the old component will wind down while ramping up the new component.

No, if this new project application is not requesting a transition grant.

7a. List all expiring project(s) involved in the transition: Required. If ‘Yes’ to question 7, the expiring renewal project(s) must be fully eliminated using the reallocation process.

At least one eliminated project must be entered in the table. Up to 4 may be entered.

Full Grant Number	Operating Start Date	Expiration Date	Component Type
Enter the full grant number of the expiring renewal project (e.g., CA0001L5F012003)	Enter the date for ‘PoP Start’ from eLOCCS	Enter the date for ‘PoP End’ from eLOCCS	Select the expiring renewal component (e.g., TH)

IMPORTANT: For all expiring renewal projects listed in the table, attach a copy of the approved renewal project application(s) on Screen ‘**7A Attachments**’ (e.g., if the expiring project was funded in the FY 2023 CoC Program Competition, attach a copy of the FY 2023 project application).

7b. Provide a description that addresses the scope of the proposed transition during the first year of operation. Required. If ‘Yes’ is selected in question 7, provide a detailed description of how the project will transition from the renewal project to the new project. The description must include:

- how you will reduce activities in the old renewal component as it transitions to the new component, including the plan for ensuring existing program participants do not become homeless,

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

- estimated date the project will be fully operating as the newly awarded component within the one-year grant term.

For example, if you are eliminating a TH project to create a new PH-PSH project, you must describe how the project will strategically wind down the transitional housing project, include how current TH program participants will be assisted in obtaining permanent housing while you will also ramp up the PH-PSH project over the course of the one-year grant term. You must also provide assurances the new PH-PSH component will be fully operational at the end of the grant term. Finally, include the amount of funds from this transitional grant application that will be used to wind down the outgoing TH activities with the estimated date for completion.

- 8. Will funds requested in this new project application replace state or local government funds (24 CFR 578.87(a))?** Required. Select the appropriate response. CoC Program funds cannot be awarded if used to replace state or local government funds.

Yes, if this project is expected to replace state or local funds and not comply with this criterion.

No, if this project will not replace state or local funds and will comply with this criterion.

- 10. Is this project applying for Rural costs on screen 6A?** Required. Select Yes or No from the dropdown menu if your project plans to request rural costs. (**Note:** rural costs may ONLY be used for rural areas and must be associated with a valid rural or tribal geo-code. A project that serves both rural and non-rural areas may request a rural BLI for the project, however, the rural BLI can only be used in the rural geographic area.) If yes, the following 3 tables will appear:

(Rural costs ONLY) Select the state(s), rural geo-code(s), and/or tribal geo-code(s), as needed for the rural geographic area(s) to be served by this project. Double click on your selection(s) or use the arrows between the tables to move “**Available Items**” to “**Selected Items**.” If you need to select multiple areas, hold down the “**Ctrl**” key to make multiple selections.

10a. Area(s) affected by the project (state(s) only):

10b. Area(s) affected by the project (rural geo-code(s) only):

10c. Area(s) affected by the project (tribal geo-code(s) only). Only make a selection if the project will serve a tribal area. If no tribal area will be served, leave this field blank. Do not make any selections.

SSO-CE Screen 3B. Description

All questions on Screen 3B are required and provide HUD with a detailed description of the project.

- 1. Provide a description that addresses the entire scope of the proposed project.** Required. Provide a detailed description of the scope of the project including the project plan for addressing coordinated entry needs, anticipated project outcome(s), coordination with other organizations (e.g., federal, state, nonprofit), and how the CoC Program funding will be used. The information in this description must align with the information entered in other screens of this application.

If this new SSO-CE project application is applying for DV Bonus funds, the description must be tailored to include how project activities will use trauma-informed, victim-centered approaches.

- *Trauma-informed:* Approaches delivered with an understanding of the vulnerabilities and experiences in trauma survivors, including the prevalence and physical, social, and emotional impact of trauma. A trauma-informed approach recognizes signs of trauma in staff, clients, and others and responds by integrating knowledge about trauma into policies, procedures, practices, and settings. Trauma-informed approaches place priority on reassuring the survivor's feelings of safety, choice, and control.

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

- *Victim-centered*: Placing priorities, needs, and interests at the center of the work with the victim, providing nonjudgmental assistance, with an emphasis on client self-determination, where appropriate, and assisting victims in making informed choices, ensuring that restoring victims' feelings of safety and security are a priority and safeguarding against policies and practices that may inadvertently re-traumatize victims, ensuring that victims' rights, voices, and perspectives are incorporated when developing and implementing system- and community-based efforts that impact crime victims.
2. **For each primary project location, or structure, enter the number of days from the execution of the grant agreement that each of the following milestones will occur.** Required. You must enter information in at least one field on the table. If your project includes multiple structures, you will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

3. **Check the appropriate boxes if this project will have a specific subpopulation focus. (Select ALL that apply)** Required. Check the appropriate boxes to indicate this project will focus on one or more specific subpopulations. The boxes checked should match the information provided in the project description. If this project does not have a specific subpopulation focus, select ‘N/A - Project Serves All Subpopulations’. If a subpopulation focus for your organization is not listed, check the box next to ‘Other’ and enter the subpopulation in the text box provided.

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

4a. Will the coordinated entry process cover the CoC’s entire geographic area? See Section II.B.1 of the *Coordinated Entry Notice* for additional information. Select:

Yes, if the funding request from this project will be used to meet this requirement.

No, funds from this project will not meet this requirement.

4b. Will the coordinated entry process be affirmatively marketed and easily accessible by individuals and families seeking assistance? Required for coordinated entry project applications. The CoC’s coordinated entry must be affirmatively marketed and easily accessible by individuals and families seeking housing and services. Select:

No, if the coordinated entry does not meet the criteria.

4c. Describe the advertisement strategy for the coordinated entry process and how it is designed to reach those with the highest barriers to accessing assistance. Required for coordinated entry project applications. Use the textbox provided to describe the advertisement strategy that will ensure coordinated entry will be accessible to individuals and families with the highest barriers to accessing assistance including persons with disabilities, and persons with limited English proficiency (see 24 CFR 578.93(c)). Using bullets instead of full paragraphs is appropriate.

4d. Does the coordinated entry process use a comprehensive, standardized assessment process? Required for coordinated entry project applications. See Sections I.C.4 and II.B.2 of the *Coordinated Entry Notice* for additional information. Select:

Yes, if the standardized assessment process meets the criteria.

No, if the standardized assessment does not meet the criteria.

SSO-CE Screen 3C. Project Expansion Information

You can apply for a new project that will expand an existing eligible CoC Program renewal project (see Section III.B.4.a.(6) of the NOFO), so long as it is the same component and type (e.g., both the new and renewal project applications are SSO-CE). To apply for a new project that will expand an existing eligible

FY 2024 CoC Program New Project Detailed Instructions

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

CoC Program renewal project you will create and submit **two** project applications: a ‘**Stand-alone New**’ and a ‘**Stand-alone Renewal**’.

For instructions to complete a ‘**Stand-alone Renewal**’ project application, review the ‘**Renewal Expansion Process and Questions**’ instructions on pages 17-19 of the **CoC Renewal Project Application Detailed Instructions**. If awarded, HUD will combine these two applications into one project in the post-award process. Please ensure that budgets and proposed numbers of units, people to be served, etc. are not duplicated between the Stand-alone New and Stand-alone Renewal applications, in order to ensure the accuracy of the final project.

Note: the same renewal project may NOT be part of both a consolidation and an expansion in the 2024 CoC Competition. If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation.

You must complete the first question on Screen 3C that will notify HUD you are submitting a new expansion project that is tied to an eligible renewal project.

1. Is this a ‘Project Expansion’ of an eligible renewal project? Required. Select:

Yes, this is a new project application that will expand an existing eligible renewal project application and is the same component and type as the renewal.

No, this new project application is not part of an expansion request. Click ‘**Save**’ or ‘**Save & Next**’ to move to the next screen.

If you answered ‘**Yes**’ to question 1, you must complete the remainder of this screen. The next two questions are used to match this new expansion project application with the renewal project application you are submitting.

1a. Eligible Renewal Grant PIN. Enter the PIN exactly as it was entered in the renewal project application (see screen 1A. SF-424 Application Type, question 5a or 5b of your renewal project application). Additionally, to ensure you enter the correct PIN on both applications, refer to the current grant agreement or grant agreement amendment for the renewal project this new project will expand.

1b. Eligible Renewal Grant Project Name. Enter the Project Name exactly as it was entered in the renewal project application (see screen PH-PSH Screen 3A. Project Detail, question 4 of your renewal project application).

2. Will this expansion project increase the Coordinated Entry process? Required. Select: ‘**Yes**’ or ‘**No**’.

SSO-CE Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

NOTE: Your application should reflect 1-year Term and 1-year of funding. Though the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two one-year budget periods. Your application in e-snaps must reflect only one year of funding.

SSO-CE Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

1. Will it be feasible for the project to be under grant agreement by September 15, 2026? Select:

FY 2024 CoC Program New Project Detailed Instructions

Supportive Services (SSO) – Coordinated Entry (CE) New Project Applications

Yes, to indicate the project intends to have a signed grant agreement by September 15, 2026. All funds conditionally awarded in the FY 2024 CoC Program Competition must be obligated via grant agreement no later than September 15, 2026.

2a. Will the project serve exclusively households who are eligible to be served with DV Bonus funding (survivors of domestic violence, dating violence, sexual assault, and/or stalking)? (Projects that are focused on other populations, including survivors of human trafficking should select “No” unless the project will be limited specifically to survivors of domestic violence, dating violence, sexual assault, and/or stalking.)

Yes, will exclusively serve DV Bonus eligible population.

- **Indirect Cost Rate** – enter one of the following if you:
 - have an approved indirect cost agreement, enter the rate percentage (e.g., 18 %) or
 - will use the 10 percent de minimis rate, enter 10 %.
- **Direct Cost Base** – enter the amount of your direct cost base for this application.

 - Yes**, if you are requesting up to 6 additional months to operate this project.
 - No**, if you expect to operate this project with a 12-month grant term.
- 6a. Select the number of months requested for the initial grant term. (Dropdown of 13 to 18 months).** Required if ‘Yes’ was selected to question 6. Using the dropdown, select the total number of months you are requesting for the initial grant term.

SSO-CE Screen 6F. Supportive Services Budget

You have access to this budget if you check ‘**Supportive Services**’ on Screen 6A. The supportive services listed are based on the eligible supportive services in 24 CFR 578.53.

The supportive services listed are based on the eligible supportive services in 24 CFR 578.53; however, SSO-CE projects should only request funds in eligible cost categories that are directly related to carrying out the CoC’s coordinated entry process (e.g., staff costs for conducting assessments). Costs that are not directly related to carrying out the CoC’s coordinated entry are ineligible.

Additionally, see 24 CFR 578.53(e)(17) for information regarding direct provision of services that apply to the individual budget items (e.g., if funds will be used to pay for a cell phone for the case manager, the monthly cost of the cell phone, will be included on the Case Management line, if funds will be used to pay for staff time to drive program participants to appointments, the staff pro-rated salary, benefits, etc., will be included in the Transportation line). For this reason, you must provide detailed information for quantity and description for each eligible cost requested.

The itemized budget screen includes 17 eligible Supportive Services costs:

1. Assessment of Service Needs	10. Life Skills
2. Assistance with Moving Costs	11. Mental Health Services

These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in *e-snaps* and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS.

Note: the VAWA BLI is **not** limited to DV Bonus projects or other projects focused on survivors. It can be requested by any project regardless of population served in order to meet the emergency transfer and confidentiality requirements of VAWA for covered housing providers.

Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

- A. **VAWA Emergency Transfer Facilitation.** Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:

SSO-CE Screen 6I. Sources of Match

You must complete the 'Sources of Match' screen. See 24 CFR 578.73 for CoC Program match requirements. If you plan to use program income as a match, you must provide an estimate of how much program income will be used.

The **Summary for Match** fields on this screen will populate once all match information is entered and saved on the **Sources of Match Detail** screen.

1. Will this project generate program income described in 24 CFR 578.97 to use as Match for this project? Required. Select:

Yes, if your project plans to use program income as match, complete the next two questions.

No, if your project will not use program income as match.

1a. Briefly describe the source of the program income. Required if you selected 'Yes' to question 1. Provide the source of program income with a brief description.

1b. Estimate the amount of program income that will be used as Match for this project.

Required if you selected 'Yes' to question 1. Enter estimated amount.

Sources of Match Detail Screen(s): Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

Example: If the 'Total Assistance Requested' for a SSO project is \$100,000, then you must match funds no less than \$25,000.

The summary table on the primary 'Sources of Match' screen aggregates the multiple cash and in-kind commitments entered in the 'Sources of Match Detail' screens. To add a detail screen, select add  and

complete the mandatory fields. Select **'Save & Back to List'** to save the information and return to the primary screen. Select **'Save & Add Another'** to add another detail screen. To view and edit, select view . To delete, select .

You must complete this screen for each type of match commitment you want to include with your project application. Once completed with this **'Sources of Match Detail'** screen, return to the **'Sources of Match'** screen where you will see the total commitment amounts for Cash, In-Kind, and All, as applicable.

1. **Type of Commitment:** Required. Select **'Cash'** or **'In-Kind'** (non-cash) to indicate the type of contribution that describes this match commitment. If applications include third-party in-kind match, you need to attach MOU(s) documentation that confirms the in-kind match commitment.

Cash, if you will use cash to satisfy the match requirement.

In-Kind, if you will use the value of any real property, equipment, or services contributed to this project that are eligible costs under the CoC Program.

2. **Source:** Required. Select:

Private, the match will be provided by a non-government entity.

Government, the match will be provided by a government entity (e.g., HUD-VASH (VA Supportive Housing program)) so long as the government funds do not prohibit their use as a match for another federal program.

3. **Name of Source:** Required. Enter the name of the organization providing the contribution. Be specific and include the office or grant program as applicable.

4. **Amount of Written Commitment:** Required. Enter the total dollar value of the contribution.

SSO-CE Screen 6J. Summary Budget

This screen summarizes the total funding request for the new project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the **'Admin'** field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be required to return to the **Sources of Match** screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select **'Save'**.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field **'7. Sub-Total Costs Requested'**. If an ineligible Admin amount is entered, *e-snaps* will report an error when the screen is saved, **'The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested'**. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin.** amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, **'The Total Match amount is less than 25 percent'**. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you must return to a **'Sources of Match Detail'** screen to make the necessary adjustments to increase the match amount for this project application.

Dedicated Homeless Management Information Systems (HMIS) New Project Applications

[RETURN to All Projects Part 2 through Part 8](#)

The following instructions apply to dedicated **Homeless Management Information Systems (HMIS)** projects in accordance with **HMIS** requirements in 24 CFR 578.37(a)(4). Dedicated HMIS projects requesting costs in 24 CFR 578.37(a)(2) can only be carried out by the HMIS Lead, which is the recipient or subrecipient of the HMIS grant and must be listed on the HMIS Lead form in the CoC Applicant Profile in *e-snaps*. New dedicated HMIS funds are available through the Reallocation process, CoC Bonus, or a combination of Reallocation and CoC Bonus. DV Bonus funds are not eligible for new HMIS projects.

HMIS Part 3: Project Information

HMIS Screen 3A. Project Detail

All questions on Screen 3A must be completed for submission of this application.

- 1. CoC Number and Name:** Required. Select the CoC Number and Name from the dropdown. **Selecting the correct CoC is critical.** The dropdown contains all CoCs that were registered in the FY 2024 CoC Program Registration process and are listed according to the CoC Number (e.g., NE-502) and CoC Name (e.g., Lincoln County CoC). Based on the selection made in this field, when ‘Submit’ is selected on Screen 8B, *e-snaps* will send this project application to the CoC selected.
Note: You should only use the ‘No CoC’ option in instances where a project is in a geographic area not claimed by any CoC or you are submitting a Solo Appeal.
- 2. CoC Collaborative Applicant Name:** Required. Select the name of the Collaborative Applicant for the CoC you intend to submit the project application. The dropdown for this field is based on the CoC Number and Name selected above with the CoC’s designated Collaborative Applicant’s name that registered during the FY 2024 CoC Program Registration process.
- 3. Project Name:** No action required. This field populates from the *e-snaps* ‘Project’ screens and is read-only. If the project name is incorrect, exit the project application screens and open the *e-snaps* ‘Project’ screens by selecting ‘Projects’ from the left menu to correct the information.
- 4. Project Status:** Required. This field defaults to the ‘Standard’ option and should only be changed to ‘Appeal’ if your organization will submit a ‘Solo Appeal’. If you select ‘Appeal’, Screen 8A ‘Notice of Intent to Appeal’ will appear on the left menu and you must complete additional information and include the attachment noted in the Solo Appeal process, see instructions for Screen 8A above.
- 5. Component Type:** Required. Select ‘HMIS’.
- 6. Is your organization, or subrecipient, a victim service provider defined in 24 CFR 578.3?** Required. Select:
 - Yes**, if your organization, or subrecipient, is a victim service provider defined in 24 CFR 578.3.
24 CFR 578.3: Victim service provider means a private nonprofit organization whose primary mission is to provide services to victims of domestic violence, dating violence, sexual assault, or stalking. This term includes rape crisis centers, battered women's shelters, domestic violence transitional housing programs, and other programs.
 - No**, if your organization, or subrecipient, is not a victim service provider.
- 7. Is this new project application requesting to transition from eligible renewal project(s) that was awarded to the same recipient and fully eliminated through reallocation in this CoC Program**

FY 2024 CoC Program New Projects Detailed Instructions

Competition? (*Attachment Requirement*) Required. For additional information refer to the NOFO for requirements to transition a renewal project from its existing component (e.g., TH) to another eligible new component (e.g., PH-PSH) through the CoC Program Competition. To facilitate this component change, you must work with the CoC and use the reallocation process to fully eliminate the eligible renewal project(s) to transition the project to the new component. Select:

Yes, if this new project application is requesting a transition grant.

If ‘Yes’ is selected, you will provide information regarding the expiring component in the next two questions. The remainder of this new project application will only capture information regarding how the project will operate under the new component. If this transition project is selected for conditional award, you will work with the local HUD CPD field office to determine how the old component will wind down while ramping up the new component.

No, if this new project application is not requesting a transition grant.

7a. List all expiring project(s) involved in the transition: Required. If ‘Yes’ to question 7, the expiring renewal project(s) must be fully eliminated using the reallocation process.

At least one eliminated project must be entered in the table. Up to 4 may be entered.

Full Grant Number	Operating Start Date	Expiration Date	Component Type
Enter the full grant number of the expiring renewal project (e.g., CA0001L5F012003)	Enter the date for ‘PoP Start’ from eLOCCS	Enter the date for ‘PoP End’ from eLOCCS	Select the expiring renewal component (e.g., TH)

IMPORTANT: For all expiring renewal projects listed in the table, attach a copy of the approved renewal project application(s) on Screen ‘**7A Attachments**’ (e.g., if the expiring project was funded in the FY 2023 CoC Program Competition, attach a copy of the FY 2023 project application).

7b. Provide a description that addresses the scope of the proposed transition during the first year of operation. Required. If ‘Yes’ is selected in question 7, provide a detailed description of how the project will transition from the renewal project to the new project. The description must include:

- how you will reduce activities in the old renewal component as it transitions to the new component, including the plan for ensuring existing program participants do not become homeless,
- estimated date the project will be fully operating as the newly awarded component within the one-year grant term.

For example, if you are eliminating a TH project to create a new PH-PSH project, you must describe how the project will strategically wind down the transitional housing project, include how current TH program participants will be assisted in obtaining permanent housing while you will also ramp up the PH-PSH project over the course of the one-year grant term. You must also provide assurances the new PH-PSH component will be fully operational at the end of the grant term. Finally, include the amount of funds from this transitional grant application that will be used to wind down the outgoing TH activities with the estimated date for completion.

8. Will funds requested in this new project application replace state or local government funds (24 CFR 578.87(a))? Required. Select the appropriate response. CoC Program funds cannot be awarded if used to replace state or local government funds.

Yes, if this project is expected to replace state or local funds and not comply with this criterion.

FY 2024 CoC Program New Projects Detailed Instructions

No, if this project will not replace state or local funds and will comply with this criterion.

- 10. Is this project applying for Rural costs on screen 6A?** Required. Select Yes or No from the dropdown menu if your project plans to request rural costs. (Note: rural costs may ONLY be used for rural areas and must be associated with a valid rural or tribal geo-code. A project that serves both rural and non-rural areas may request a rural BLI for the project, however, the rural BLI can only be used in the rural geographic area.) If yes, the following 3 tables will appear:

(Rural costs ONLY) Select the state(s), rural geo-code(s), and/or tribal geo-code(s), as needed for the rural geographic area(s) to be served by this project. Double click on your selection(s) or use the arrows between the tables to move “**Available Items**” to “**Selected Items.**” If you need to select multiple areas, hold down the “**Ctrl**” key to make multiple selections.

10a. Area(s) affected by the project (state(s) only):

10b. Area(s) affected by the project (rural geo-code(s) only):

10c. Area(s) affected by the project (tribal geo-code(s) only). Only make a selection if the project will serve a tribal area. If no tribal area will be served, leave this field blank. Do not make any selections.

HMIS Screen 3B. Description

All questions on Screen 3B are required and provide HUD with a detailed description of the project.

- 1. Provide a description that addresses the entire scope of the proposed project.** Required. Provide a detailed description of the scope of the project including the community needs, the design and implementation of the HMIS system, anticipated project outcome(s), coordination with other organizations (e.g., federal, state, nonprofit), and how the CoC Program funding will be used. The information you provide in this narrative must align with the information entered in other screens of the application.
- 2. For each primary project location, or structure, enter the number of days from the execution of the grant agreement that each of the following milestones will occur.** Required. You must enter information in at least one field on the table. If your project includes multiple structures, you will complete one column for each structure. You will estimate the number of days from grant execution for the first four questions, as applicable, for the requested project application. Nonapplicable fields can remain blank, or you can enter ‘0’ or ‘NA’.

HMIS Screen 3C. Project Expansion Information

You can apply for a new project that will expand an existing eligible CoC Program renewal project (see Section III.B.4.a.(6) of the NOFO), so long as it is the same component and type (e.g., both the new and renewal project applications are HMIS). To apply for a new project that will expand an existing eligible CoC Program renewal project you will create and submit **two** project applications: a ‘**Stand-alone New**’ and a ‘**Stand-alone Renewal**. If awarded, HUD will combine these two applications into one project in the post-award process. Please ensure that budgets and proposed numbers of units, people to be served, etc. are not duplicated between the Stand-alone New and Stand-alone Renewal applications, in order to ensure the accuracy of the final project.

FY 2024 CoC Program New Projects Detailed Instructions

Note: the same renewal project may NOT be part of both a consolidation and an expansion in the 2024 CoC Competition. If a renewal is submitted for both consolidation and renewal, HUD will treat the application only as an expansion and reject the consolidation.

For instructions to complete a **‘Stand-alone Renewal’** project application, review the **‘Renewal Expansion Process and Questions’** instructions on pages 17-19 of the **CoC Renewal Project Application Detailed Instructions**.

You must complete the first question on Screen 3C that will notify HUD you are submitting a new expansion project that is tied to an eligible renewal project.

1. Is this a ‘Project Expansion’ of an eligible renewal project? Required. Select:

Yes, this is a new project application that will expand an existing eligible renewal project application and is the same component and type as the renewal.

No, this new project application is not part of an expansion request. Click **‘Save’** or **‘Save & Next’** to move to the next screen.

If you answered **‘Yes’** to question 1, you must complete the remainder of this screen. The next two questions are used to match this new expansion project application with the renewal project application you are submitting.

1a. Eligible Renewal Grant PIN. Enter the PIN exactly as it was entered in the renewal project application. To ensure you enter the correct PIN number, refer to the current grant agreement or grant agreement amendment for the renewal project that this new project will expand.

1b. Eligible Renewal Grant Project Name. Enter the Project Name exactly as it was entered in the renewal project application.

The following questions inform HUD how this new project will expand the eligible renewal project application. You must respond to each question and at least one question in #2, #3 or #4 must be answered **‘Yes’**.

2. Will this expansion project increase HMIS functionality? Select **‘Yes’** or **‘No’**.

2a. Describe the increased HMIS functionality. Required. If **‘Yes’** was selected for question 2, enter a description that addresses how funds from this new project will increase the functionality of the current dedicated HMIS project (e.g., adding bandwidth to the current HMIS system, need for additional licenses, additional training).

3. Will this expansion project increase geographic coverage of HMIS? Select **‘Yes’** or **‘No’**.

3a. Identify the geographic codes that were added to the HMIS coverage. Required if **‘Yes’** was selected for question 3. From the tables provided, select the geographic codes that will be added to the current HMIS coverage area. To select more than one geographic code hold the **‘CTRL’** key while selecting the codes under **‘Available Items’** to move to **‘Selected Items’**.

4. Will this expansion project increase number of HMIS participating agencies or programs? Select **‘Yes’** or **‘No’**.

4a. Identify the number of additional HMIS users in each of the following agencies or programs that will be added. Required if **‘Yes’** was selected for question number 4. Enter a numerical value for each of the program(s) listed to indicate the additional number of users. If a program does not apply enter **‘0’**.

HMIS Part 6: Budgets

Part 6 captures the budget information for the project application. HUD requires your project to request and use funds for eligible costs as outlined in the Rule for each budget and will verify project expenditures during field office monitoring or OIG audits. Any ineligible expenditures can result in monitoring or audit findings that could result in your organization repaying HUD for any ineligible CoC expenses.

NOTE: Your application should reflect 1-year Term and 1-year of funding. Though the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two one-year budget periods. Your application in e-snaps must reflect only one year of funding.

HMIS Screen 6A. Funding Request

Screen 6A provides the framework through which a project applicant creates a project budget.

- 1. Will it be feasible for the project to be under grant agreement by September 15, 2026?** Select:
 - Yes**, to indicate the project intends to have a signed grant agreement by September 15, 2026. All funds conditionally awarded in the FY 2024 CoC Program Competition must be obligated via grant agreement no later than September 15, 2026.

Note: DV Bonus funds are not eligible for new dedicated **HMIS** projects.

- 2a. Will the project serve exclusively households who are eligible to be served with DV Bonus funding (survivors of domestic violence, dating violence, sexual assault, and/or stalking)? (Projects that are focused on other populations, including survivors of human trafficking should select “No” unless the project will be limited specifically to survivors of domestic violence, dating violence, sexual assault, and/or stalking.)**

Yes, will exclusively serve DV Bonus eligible population.

No, will not exclusively serve DV Bonus eligible population.

- 3. Does this project propose to allocate funds according to an indirect cost rate?** Required. See Section III.B.1.i. of the NOFO for additional information and select:

4. **Select a grant term:** Required. **Note: Most projects should choose 1-year Term in this field. -While the FY2024 CoC Competition NOFO covers two years (FY2024 and FY2025), the funding will be disbursed as two 1-year budget periods. Your application in e-snaps must reflect only 1-year of funding.** Your new project application may request 1-year, 2-years, 3-years, 4-years, 5-years, or 15-years; however, some exceptions apply (see Section III.B.4.d. of the NOFO for the complete list).
5. **Select the costs for which funding is requested:** Required. The only box you can check is HMIS and includes all eligible costs available for dedicated HMIS (24 CFR 578.57).  - No**, if you expect to operate this project with a 12-month grant term.
- 6a. **Select the number of months requested for the initial grant term. (Dropdown of 13 to 18 months).** Required if ‘Yes’ was selected to question 6. Using the dropdown, select the total number of months you are requesting for the initial grant term.

HMIS Screen 6H. HMIS Budget

You have access to this budget if you check ‘**HMIS**’ on Screen 6A. The HMIS costs listed are based on the eligible HMIS costs described in 24 CFR 578.57 and must comply with HMIS requirements.

The itemized budget screen includes 5 eligible HMIS costs:

1. Equipment	4. Personnel
2. Software	5. Space and Operations
3. Services	

Enter the quantity, detail, and total budget request for each activity requested. The total amounts calculate when you select ‘**Save**’.

- **Eligible Costs:** No action required. The categories listed are eligible HMIS costs for which funds can be requested under 24 CFR 578.57.

FY 2024 CoC Program New Projects Detailed Instructions

- **Quantity AND Description:** Required. This field must provide a complete picture of how CoC Program funds will be used in the project to assist program participants. Enter the quantity (i.e., numbers) and descriptive information for each activity for which you are requesting funds (e.g., if requesting staffing enter position title–1 FTE @ \$45,000 including fringe benefits of \$X or 50 hours @ \$25 per hour including fringe benefits of \$X).
- **Annual Assistance Requested:** Required. Enter the annual amount requested for eligible CoC Program HMIS activities to contribute to your CoC’s HMIS for a 12-month period. If you are requesting a multi-year grant term (e.g., 3 years), you will see the total request for the 3-year grant term request in the **Total Request for Grant Term** field.
- **Total Annual Assistance Requested:** No action required. This field calculates based on the sum for each eligible cost where you entered information.
- **Grant Term:** No action required. This field populates based on the grant term selected on the ‘**6A. Funding Request**’ screen.
- **Total Request for Grant Term:** No action required. This field calculates the total amount of funds you are requesting, multiplied by the grant term selected.

HMIS VAWA Cost Budget

The **Violence Against Women Act (VAWA) Reauthorization Act of 2022** clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in *e-snaps* and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in *e-snaps* and eLOCCS.

Note: the VAWA BLI is **not** limited to DV Bonus projects or other projects focused on survivors. It can be requested by any project regardless of population served in order to meet the emergency transfer and confidentiality requirements of VAWA for covered housing providers.

Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

- A. **VAWA Emergency Transfer Facilitation.** Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor’s emergency transfer(s). Additional details of eligible costs include:

HMIS Screen 6I. Sources of Match

You must complete the 'Sources of Match' screen. See 24 CFR 578.73 for CoC Program match requirements. If you plan to use program income as a match, you must provide an estimate of how much program income will be used.

The **Summary for Match** fields on this screen will populate once all match information is entered and saved on the **Sources of Match Detail** screen.

1. **Will this project generate program income described in 24 CFR 578.97 to use as Match for this project?** Required. Select:

Yes, if your project plans to use program income as match, complete the next two questions.

No, if your project will not use program income as match.

- 1a. **Briefly describe the source of the program income.** Required if you selected 'Yes' to question 1. Provide the source of program income with a brief description.

- 1b. **Estimate the amount of program income that will be used as Match for this project.**

Required if you selected 'Yes' to question 1. Enter estimated amount.

Sources of Match Detail Screen(s): Enter match information on this screen based on the current commitments at the time of project application submission that will apply to the grant term if selected for conditional award, not based on projections. Match contributions can be cash, in-kind, or a combination of both. Match must be no less than 25 percent of the total request, including Administration costs, but excluding Leasing costs (i.e., Leased Units and Leased Structures). If your match amount exceeds 25 percent, HUD will expect you to produce the higher amount included in the project application if selected for conditional award.

Example: If the 'Total Assistance Requested' for a HMIS project is \$100,000, then you must match funds no less than \$25,000.

The summary table on the primary 'Sources of Match' screen aggregates the multiple cash and in-kind commitments entered in the 'Sources of Match Detail' screens. To add a detail screen, select add  and complete the mandatory fields. Select 'Save & Back to List' to save the information and return to the primary screen. Select 'Save & Add Another' to add another detail screen. To view and edit, select view

HMIS Screen 6J. Summary Budget

This screen summarizes the total funding request for the new project application based on the budget screens completed. If you need to make an adjustment to any of the budget amounts shown on this screen, access the budget screen (e.g., Rental Assistance) to make the adjustment.

There is only one field on this screen you can edit, the ‘**Admin**’ field. If you request Administrative Costs for this project, enter the amount of requested funds. If you enter an amount in this field, you may be required to return to the **Sources of Match** screen to update the match amount for this project application. The total amounts are calculated by *e-snaps* when you select ‘**Save**’.

- **#11. Admin:** Enter the amount of requested administrative funds. You can only request up to 10 percent of the amount listed in the field ‘**7. Sub-Total Costs Requested**’. If an ineligible Admin amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Administrative Costs exceed 10 percent of the Sub-Total Costs Requested**’. The error message will inform you of the maximum amount of administrative costs you can request, and you must update the **Admin**. amount.

The summary budget also includes the amount of Cash, In-Kind, and Total Match entered on Screen 6D. To adjust match amounts, return to Screen 6D. If an ineligible match amount is entered, *e-snaps* will report an error when the screen is saved, ‘**The Total Match amount is less than 25 percent**’. The error message will inform you of the minimum amount of match funds you are required to have for this project, and you must return to a ‘**Sources of Match Detail**’ screen to make the necessary adjustments to increase the match amount for this project application.
